JACKSONVILLE, FL, UNITED STATES, January 30, 2020 /EINPresswire.com/ -- Travelcamp RV is excited about its new partnership with the Jacksonville Jaguars NFL team. A relationship that kicked off on Monday January 6, 2020 by providing rookie quarterback, Gardner Minshew II, an RV to travel in. Minshew wrapped up his cross-country adventure January 28th after enjoying a trip that took him from Jacksonville to Los Angeles. Travelcamp owner Salem Hassan is PROUD of the budding partnership Travelcamp has formed with the Jacksonville Jaguars and happy to provide rookie NFL quarterback, Gardner Minshew an RV for his #MilesWithMinshew cross country adventure.

The relationship between Travelcamp and the Jacksonville Jaguars will consist of a host of RV related activities to help introduce the RV lifestyle to the Jaguar fans including RVs displayed at the stadium, social media marketing the benefits of the RV lifestyle, and other similar activities.

Gardner Minshew is an American football quarterback for the Jacksonville Jaguars of the National Football League (NFL). He played college football at East Carolina, before transferring to Washington State, and was drafted by the Jaguars in the sixth round of the 2019 NFL Draft. Minshew had a strong rookie season, developing a cult following along the way for his fun personality, mustache, wrestling alligators, and love of jean shorts and jean suits. Minshew finished with 3,271 passing yards, 21 touchdowns and just six interceptions in 14 games, very solid for someone who came into the league as a sixth-round draft pick.
