CANCER SOCIETY

Peterson retires after 14 years of service

More than \$215,000 raised for patients during her tenure

BY BILLI AUGHENBAUGH
Kingsbury Journal

After volunteering 14 years as the president, Sharon Peterson has retired from Kingsbury County Cancer Cares, Inc.

Kingsbury County Cancer Cares, Inc. (KCC) is a not-for-profit organization started in 2008 to help those with cancer (excluding skin cancer unless melanoma.) The organization's one-time dispersal of money with no strings attached can be used for any need, whether it's for gas to get to the hospital, overnight lodging or even a restaurant meal. While

those costs might not seem like much, they add up quickly.

Before the board was established, Marlene Anderson, Bonnie Menzel and Pam Fox co-chaired fundraisers for Relay for Life. After doing that for a couple years, they decided it would be beneficial to start a cancer group in the county, so all money could stay locally.

The first cancer walk was in August of 2008, and the first committee consisted of Lindy Holland, Kathy Hawkins, Anderson, Menzel, Fox, Deloris Gilbertson and Lois Widman. That cancer walk raised over \$23,000.

"Sharon was the first person to volunteer to be a board member," said Anderson, a founding board member. "Money couldn't be given out until all legal work was done, such as non-profit status, by-

laws, a name and more, and Sharon was instrumental in getting all of that done. She was truly a blessing to Kingsbury County Cancer Cares, Inc. She was a life-saver."

The board formed in 2009 with founding members Peterson, Anderson, Dean McDonald, Mary Purinton, Wilson Munger, Jean O'Neal, Shari Kleinjan, Ken Bohls, Becky Senner, Arlyn Smith and Karen Carlson. Smith and Carlson stayed on the board until their passings.

FUNDRAISING

Since Nov. 13, 2009, KCC has given away \$215,500.00 to 346 recipients.

This organization's money comes from cancer walks, generous donations from churches, community groups or

LIW PAGEANT

Senners honored for pageant service

BY JENNY TODD
Pageant Board

Each year, the Laura Ingalls Wilder Pageant Board selects deserving individuals to honor for dedication and service to the pageant. This year, the board chose the Reverends Rick and Becky Senner, who between them have volunteered almost 30 years in numerous roles.

The Senners and their two children Carrie and Aaron moved to Lake Preston, S.D., in the fall of 1994. When

pageant time arrived in 1995, a special celebration was held at the local 4-H grounds, and for the first time of many, Becky's hand-quilting was displayed on a quilt rack.

Kay Vallery was the director of the 1996 pageant, and when actors were needed, she persuasively asked Rick to be part of the cast. So began the pageant career of the Senners.

Rick grew up on a farm in Hawkeye, Iowa. He attended Waldorf College in Forest City, Iowa, majoring in history. While there, Rick became involved in the

college play "The Crucible" as part of the stage crew. He admitted that at the time he would have never tried out for a part in the play because he was not a public speaker.

During play practice Rick met fellow student Becky from Kasson, Minn. Becky was cast as Rebecca Nurse, and although the play never took place, it brought Rick and Becky together. They will celebrate their 48th anniversary in July.

The couple has experienced many

See SENNERS, page 2

SENNERS: Remembering the pageant throughout the years

FROM FRONT PAGE

changes in the dynamics of the pageant through the years. Scenery and set adjustments have taken place again and again, and pre-recorded lines have transitioned into live performances. Rick remembers a time when actors were not allowed to wear their glasses on stage.

"That was always fun, as long as they didn't move the scenery around," he said with a laugh.

Although the Senners' ministries with Evangelical Lutheran Churches in America (ELCA) have taken them to other South Dakota towns, they continued to make the trek to De Smet each week in the summer for pageant practices and performances.

For the past 16 1/2 years, they have pastored separate churches. Many weeks, the time spent at the pageant grounds would be the only opportunity they had to be together, and quite a few of their July anniversaries were spent volunteering at the pageant.

In 2012, Rick was asked to play the role of Charles "Pa" Ingalls for the first time, and in 2016, Rick and Becky were given the roles of both "Pa" and "Ma" Ingalls. Becky said that it felt so natural to play "Ma" with Rick as "Pa." She shared that being a part of

that particular pageant was one of the high points of her life.

They agreed that signing autographs and speaking with pageant spectators following each performance was always a joy. Becky said that it was amazing to see "such a wealth of humanity come together to celebrate the life of Laura Ingalls Wilder."

Pastors Rick and Becky have passed on their love of history to their three grandchildren Carson, Kendra and Cooper. The grandchildren, along with their parents Carrie and Brad Eggert and their uncle Aaron Senner, were among the pageant crowd on Fri., July 8 to honor their grandparents' dedication in preserving the history of Laura Ingalls Wilder and the pioneer years.

"It's a time period that I like," Rick said.

Becky admitted that she always tells Rick that he was born 100 years too late.

"These are your people," Becky told Rick with a smile during the interview, referring to the Ingalls family and the characters in Wilder's books.

Well, Senners, you are definitely "our" people, too.

LIW Pageant Board President Doug Kazmerzak, left, gave an appreciation plaque to Revs. Becky and Rick Senner for their many years of service to the pageant. (Photo by Jenny Todd)

'Celebrity guests' coming to De Smet

BY MARINA GARCIA
Kingsbury Journal

Theatre on the Prairie Fantasy Camp, classes and a show scheduled for July 27-30 at the De Smet Event Center, will include instruction from Jason Stuart of Los Angeles and Laurel Parker of London. The Journal staff asked each a few questions in regard to their dedication to theatre and bringing the experience to the prairie.

Your professional history includes directing, teaching and producing in live theatre, television, movies and videos. What excites you about teaching the directing class for our first Theatre Fantasy Camp here in De Smet, S.D.?

Laurel Parker: I love what the group is doing in terms of bringing art to small communities. I think that's brilliant and so needed, and I'm honored to be asked to be a part of it! I'm also excited that this is the first year which means we can shape the classes so it best fits the participants with no pre-conceived ideas of what it is supposed to be like. I'm hoping we raise lots of money for the center, but I know that we're going to have a blast either way!

Laurel Parker **Jason Stuart**
The purpose and goal for the Theatre Fantasy Camp is to keep the arts alive in small towns like De Smet and to raise money to bring in better AV equipment to the De Smet Event Center to keep producing more quality programs such as this event. Why do you think events like this are so critical to American theatre?

Laurel Parker: We don't spend enough on the arts in the United States, and what is spent is down to pennies by the time it gets to the smaller communities. It's so important that people include art in their lives – it's what makes us human; it inspires and unites us. Bringing art to small towns gives people an alternative perspective, something different to look forward to, which is why it is so important to support events like this. Art is always

a good thing; everyone should have the chance to experience and participate.

What made you say yes to teaching the acting class and taking a part in the Murder Mystery night which closes the Theatre Fantasy Camp week?

Jason Stuart: Marina Garcia, who is producing the week. It's all about being supportive of your fellow artists. Marina has cast me in a series she produced with Michele Lee and booked me to do stand up at college events. She is always doing something creative and giving back to the artist community.

What do you hope the students who will be attending will learn from your Actors' Studio class?

Jason Stuart: To learn the tools, you need to compete today as an actor and performer. Also have a craft and technique when your talent does lead itself to the film, TV show or play you are working on. To create a bag of tricks, you can be your best self. Last, but not least, to get out of your own way so you can reach the dreams and goals you set for yourself.

NEWS BRIEF

Feeding South Dakota coming next week

On July 27, the Feeding South Dakota food truck will be coming to Kingsbury County. It will be in Arlington first from 9-10 a.m. at the United Methodist Church. It will then be in Lake Preston at the UCC/UMC Church from 10:30-11:30 a.m. Last, it will stop in De Smet on Wilder Lane (between the Event Center and Washington Park) from 12-1 p.m. An I.D. must be presented. The next scheduled stop is on Aug. 24.

COURT NEWS

The money collected on a \$117.50 speeding ticket is distributed to the following sources: \$39 to the school district in the county where the violation occurred, \$30 to the Law Enforcement Officer Training Fund, \$23.50 to the Unified Judicial System for court automation, \$11 to the 911 Telecommunicator Training Fund, \$6 to the Court Appointed Attorney & Public Defender Fund, \$5 to the Victims' Compensation Fund, \$2 to the Court Appointed Special Advocates Fund and \$1 to the Abused and Neglected Child Defense Fund.

JUAN MAROQUIN ESTRADA, Rockville, Md., 42 in a 30 mile per hour zone, fined \$137.50.

LOLUE RYAN YANG, Oakdale, Minn., 75 in a 65 mile per hour zone, fined \$117.50.

WAYNE FOLEY, Erwin, disorderly conduct, fined \$132.50.

GEORGE NORGAARD, Hetland, expired annual inspection, fined \$182.50.

TIMOTHY HISEY, Brookings, 70 in a 65 mile per hour zone, fined \$97.50.

DALE DOROW, Wentworth, seat belt violation, fined \$25.00.

SHEE WAH, Huron, 75 in a 65 mile per hour zone, fined \$117.50.

ANGEL SOTO CAMACHO, Huron, pleaded guilty to no driver's license in court on July 11. He was fined \$132.50.

SHERIFF'S REPORTS

The Kingsbury County Sheriff's Department reports two accidents.

JULY 14 - MILDRED FURNEY of Arlington and **STEVE BROCK** of Huron were both traveling east on US Highway 14. When Furney attempted to make a U-turn at 451st Street, Brock was unable to avoid hitting Furney in the eastbound lane. Both vehicles collided in a front end, sideswipe manner. The 2004 Peterbilt Brock was driving suffered \$15,000 in damages and Furney's 2017 Jeep Cherokee sustained \$10,000 in damages.

JULY 16 - DAVID TRAUTMAN of Parker was traveling south on SD Highway 25 when **MATT BRUNER** of Carthage backed out of the ditch, crossed the northbound lane and into the path of Trautman's vehicle, causing damage to the entire driver's side. The 2015 Dodge Ram Trautman was driving suffered \$7500 in damages, and Bruner's 1999 Ford F150 suffered \$1000 in damages.

Releasing pheasants

Left: Prairie Lakes Pheasant Club did their annual pheasant release for members on Saturday in De Smet. Club President Wade Hoefert (pictured) wanted to thank MTM Pheasants out of Pender, Neb., for delivering the chicks. Each member of the club received 10 pheasant chicks to release in the area for the upcoming pheasant season. (Photo by Dave Fields) Right: After picking up pheasants from the Prairie Lakes Pheasant Club bird release on Sat., July 16, Spencer Warne, 4-year-old daughter of Kris and Amber Warne, helped her dad and her uncle Daryn Warne release them on the family farm north of De Smet. KCC: Board thanks Peterson for her years of service

FROM FRONT PAGE

people and through memorials.

The cancer walks are the biggest event for this group.

Since 2008, there has been one walk every two years, rotating between De Smet, Lake Preston and Arlington. Groups from each town raise money, and the money goes into one fund for all patients throughout the county.

Arlington was scheduled to host the 2020 Cancer Walk, but due to high COVID numbers in the area, it was rescheduled to the summer of 2021. Now, the cancer walks are every two years during odd years. The next cancer walk is planned to take place in De Smet in the summer of 2023.

Kingsbury County Cancer Cares, Inc., is not associated with the American Cancer Society. All money raised for this organization stays local to directly benefit Kingsbury County residents.

BOARD MEMBERS

Present board members include representatives throughout the whole county. Members include Anderson, Bohls, Gilbertson, Munger, O'Neal, Purinton, Amy Halverson, Sheila Smith, Lanet Tolzin, Billi Aughenbaugh and Diane Peterson.

Executive board members are Anderson, Smith, Tolzin and Aughenbaugh.

If you or someone you know has cancer, you can reach out to any of these members and let them know. A request can also be sent to the treasurer, Lanet Tolzin at 21071 443rd Ave Lake Preston, SD 57249.

"On behalf of Kingsbury County Cancer Cares, we want to thank Sharon for all of her years of service and the hard work she has put toward this community," said Anderson. "She was so knowledgeable about what needed to be done and always willing to go above and beyond to get things done. We were so blessed to have her on the board and will miss her terribly."

Voices

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech or of the press; or the right of the people peaceably to assemble and to petition the Government for a redress of grievance.”

Hope for the future

IN MY FOUR YEARS AS GOVERNOR, I have focused on finding ways that our programs can positively impact the next generation. This goes beyond reading about what state government does—I go out and see these programs for myself so I can understand exactly what we can do to improve them.

GOVERNOR'S DESK

KRISTI NOEM

This week, I visited the mother-baby unit at the women's prison in Pierre. This simple trip did my heart good—it showed me that we are making a difference in these women's lives.

When Kellie Wasko, our new Secretary of Corrections, joined my cabinet earlier this year, South Dakota was one of only nine states to have a mother-baby program for incarcerated women who find themselves carrying a child. But we definitely had room to improve. I charged Kellie, who is a mother like me, with making this program bigger and better, and I saw the results of her great work this week.

Now, incarcerated mothers can bond with their babies for 30 months after birth. Most of the women who participate in this program will have served their sentences by the time those 30 months are up. Because of the changes we've made, they will re-enter their communities with a strong relationship with their children and motivation to stay on the right path. Thanks to our Governor's House program, a separate home on the prison grounds set aside especially for these women and their children, these new mothers have a safe place to stay and form a community with each other, too. We also provide educational, mental, and physical support as they start their parenting journeys.

As state leaders, we must offer

these women the support they need to turn their lives around. To be sure, these women made mistakes. But their babies—born during their mothers' incarceration—did nothing wrong. They deserve the best start to their early childhood. And their mothers deserve a measure of forgiveness as they repay their debt to society. That is part of what it means to be pro-life.

Several of the mothers I visited told me of the impact this program was having on them and of their desire to leave prison with their new child at the end of their sentence and never return. That is the ultimate goal for these women: leave prison and return home to raise a healthy child in their community as a productive member of our society.

I will continue to advocate for the necessary facility and security upgrades to keep our prisons safe and effective. We have made progress on that score in the last year, and we will continue to do so as time goes on. I know, after visiting our mother-child program in Pierre, that under Secretary Wasko's leadership, we are on the right track.

Obituary

MAURICE KRUGER

Maurice H. Kruger, age 90, of De Smet, S.D., passed away on Wed., July 13, 2022, at his residence. Funeral services were held at 11 a.m. on Tues., July 19, 2022, at the Crawford-Osthus Funeral Chapel in De Smet, S.D. Rev. Gary Anderson officiated.

Visitation took place prior to the funeral service on Tuesday at 9:30 a.m.

Burial was at the De Smet Cemetery in De Smet, S.D. Military graveside honors were provided by the De Smet American Legion Post #138 and the Military Funeral Honors Team of the SD Army National Guard. Pallbearers were Heather Kruger, Mallen Krueger, Mathew Furness, Nicholas Kruger, Kalyn Kruger, Garrett Kruger and Danielle Kruger.

Maurice was born to Henry and Florence (Gehm) Kruger on July 2, 1932. He was raised on a farm South of De Smet, where his love for animals and the land began. After graduating from De Smet High School, he enlisted in the National Guard serving as a radio operator in Germany during the Korean War era. After his discharge from the military, he attended South Dakota State University, majoring in agriculture.

Maurice was united in marriage to Sharon Mohror on June 7, 1957, at the Arlington Trinity Lutheran Church. From this union three sons were born: Steven, Keven and Lonny.

The couple resided in Brookings, S.D., for two years before building their home south of De Smet, where Maurice spent most of his life raising Black Angus cattle and farming. He was involved in the Junior Angus Association and enjoyed taking his sons to cattle shows. Maurice was also involved with the DAV Chapter #22 in Brookings, as well as the PVA North Central Chapter in Sioux

Falls. Maurice loved to tell stories of his time in Germany as a radio operator.

Maurice and Sharon welcomed seven grandchildren and five great-grandchildren. Being a grandfather was his greatest joy. He enjoyed going to concerts, games and special events for his grandkids. If one of the kids ever needed him, Maurice and Sharon loaded up the station wagon, making sure they had plenty of lemon heads and headed down the road but ONLY if the seat belts were clicked.

Maurice is survived by two sons, Keven Kruger and Lonny (Christina) Kruger; seven grandchildren, Heather (Paul Hanson) Kruger, Mallen Krueger, Nicholas Kruger, Kalyn Kruger, Veronica Dahl, LaRen Engelkes and Mathew Furness; five great-grandchildren, Garrett Kruger, Danielle Kruger, DJ Plummer, Tracy Engelkes and Raelynn Engelkes.

He was preceded in death by his wife, Sharon; his parents; his brother, Roger and his son, Steven.

PAID OBITUARY

Come boldly to the throne

And it will come to pass, that before they call, I will answer. ISAIAH 65:24

This past week, I got up early to do some spraying in the garden. I had readied the sprayer the night before, so I could get an early start. I pumped the sprayer and started spraying only to find out that the nozzle was gone from the wand. I went back to the garden shed to look in the tote where I keep my sprayers. It was too dark to see anything, as the sun was not fully up.

"I will never find it," I thought to myself. After dragging the tote to the door, I looked down, and there was the sprayer tip. I looked inside for the gasket, and it was gone. Peering inside the tote once more, I saw the tiny black gasket.

I believe that in this instant God knew my need before I did and was ready to supply all my needs. (PHILIPPIANS 4:19)

Praying about lost things may seem trivial, but I believe that He is interested in all aspects of our lives, even finding sprayer nozzles. I know this to be a fact because it is proven repeatedly in daily life and from Scripture. *Even the very hairs on our heads are numbered* (Luke 12:7). I know that our heavenly Father knows the number of our hairs, not because He is a mathematician, but because of His interest in our lives. He clothes the grass and feeds the sparrows. Consider how much more He is interested in us.

I recently prayed about something and was surprised that my prayers were answered in the way that they were.

A beehive must have a queen, right? I had three colonies in which the queens had died, and a worker took on the role of queen, laying eggs. A laying worker will only lay drone eggs. This will cause the colony to eventually die.

I tried the traditional manipulation method of giving the hives frames of brood with recently laid eggs. The goal is that the worker bees will realize they do not have a viable queen

MEDITATIONS

JAMES JESSER

Guest Writer

and take an egg and make a queen. After putting the frames of brood in the hives, I prayed. I reminded the Lord that He had been beekeeping much longer than I had and asked that He would cause the bees to make a queen.

I checked them two weeks later, and I could not see that there was any evidence of a new queen.

That day I got an advertisement for a sale for queens at a reduced price. I decided that this was how God was going to answer my prayer.

I ordered the queens, and the day that they arrived, I went to place them in the hives; each hive had a viable queen that was busy laying eggs.

The Bible verse *Ask and it will be given to you*, Matthew 7:7, instantly came to mind. I felt reproved a bit from the Holy Spirit. I asked but did not really expect an answer.

I was recently sitting in the emergency room with a family member. After all the tests, nurse visits and Physician's Assistant visits, the "waiting for the results period" began. As I was sitting there, I realized that I had not prayed about the situation. I pondered why I had not. It had not occurred to me to pray because I had peace. I knew that God was with us and that he was in control. I took comfort and strength in knowing that.

After being a Christian for many years, my views about prayer have changed drastically. I am not always certain how to pray, when to pray or about what to pray. However, I do know that God tells us to *come boldly to the throne of grace*. (Hebrews 4:16) Prayer is more than a shopping list or a lost and found list. It is communication with God, trusting in His answers and knowing that He is in control.

It's way more than just the ribbon

"IT'S TIME TO GET UP, DeAnn! There's a lot to do this morning," Mom called up the stairs. The tone of her voice indicated that this morning she would not be my snooze button. Sleep webs slowly cleared from my brain, and I realized what day it was—the first day of county fair!

PUTTING ON THE BIG BOOTS

DEANN (WOLKOW) KRUEMPEL

It was late last night when I glued the final touches on my safety poster. Covered with plastic, it waited on the kitchen table with the other exhibits that Delmer and I were taking to the fair. Kingsbury County called the event Achievement Days. 4-H'ers and others brought their best livestock, crafts, garden produce, and canned and baked goods to be judged. Each place was awarded a ribbon. First place received a purple ribbon. Then, there was blue, red and white. Everyone hoped for a purple. A purple ribbon meant you got to take that item to the state fair in Huron.

while Delmer cleaned off any dirt. When the cockerel was Saturday-night-clean, my brother rubbed olive oil over its comb, wattles and feet.

It was my turn. Dad held the hen I chose. I cleaned and oiled her until she shined in the morning sun. "Are you gonna win me a purple ribbon?" I petted her one last time before Dad and Delmer put the cages in the pickup.

Mom and I headed for the barn. Mom put an arm on my shoulder. "It's not just the ribbon, you know. It's what you learn that is important."

The dress on the table, labeled as a clothing exhibit flashed through my mind. Though our mother had the patience of Job, I wonder if she wished

her youngest had been a boy. About the fifth time I had to get out the seam ripper, I was fit to be tied. I kept sewing the facing into the neck seam, and it had to be ripped out. I learned a lot sewing that red, swirly-print dress. I learned I would never do that again!

Delmer and I dragged several hog panels into place to make an aisle for the pigs from the barn to the water tank. We probably didn't need the panels anymore, but on fair day we didn't want to be chasing our pigs around the yard. A couple months ago we gave our 4-H hogs their first bath. They squealed like crazy and tried to jump out. After the third time, they learned to love bath time. They closed their eyes, lifted their noses and grunted contentedly as we brushed soap and water through their bristly coats. Delmer scrubbed his Duroc boar first and put him back into a pristine pen. Two gilts came out next. My brother and I would compete against each other in this class.

Delmer had won the showmanship trophy last year. As we scrubbed our dark red hogs who thought they were in hog heaven, he gave me tips for the show ring. "Never get between your hog and the judge. Keep your eye on him while you guide your pig so he can see her best points."

I told my brother I didn't figure I

had a chance for showmanship, but I sure wanted a purple ribbon on my hog. Dad came along about then and watched our piggy spa. "You two know the ribbon and the trophy are not the important part. No matter who wins, you be a good sport."

Images of show ring glories danced in our heads. Likely, Dad knew what we were thinking. "You make sure and congratulate the winner. Look them in the eye like you mean it. Shake their hand. That will make me prouder than anything."

As it turned out, Delmer and I were both happy with the results that day, and I think Dad and Mom were pretty proud, too. Even though they brought us up to know what was truly important, they were about as happy to see a purple ribbon as we were!

Hoe to the end of the row

HI FOLKS! THIS IS ONE of my favorite pieces of literature. I wish I could remember when or where I first read it, but that doesn't really matter. I do know that a copy I have says: Author unknown. To me it acknowledges hard work, as we learned on the ranch. That it wasn't a clock that said when it was time to start work, or stop. You probably know a few "Bill Browns." I know I do.

THE GOOD STUFF

JIM THOMPSON

Bill Brown made a million, Bill Brown, think of that. That boy you remember, As poor as a rat.

He hoed for the neighbors, Did jobs by the day. And Bill made a million, Or near it they say.

He worked for my father, You'll maybe recall. He wasn't a wonder, Not that, not at all.

He couldn't out-hoe me, Or cover more ground, Or hoe any faster, Or beat me around.

In fact, I was better In one way that I know. One toot from the kitchen And home I would go.

But Bill Brown always hoed To the end of the row.

We used to get hungry Out there in the corn. You talk about music, What equals a horn?

A horn yellin' dinner, And tomatoes and beans, And pork and potatoes, And gravy and greens.

I ain't blamin' no one For quittin' on time. To quit with the whistle, That ain't any crime.

But as for the million, Well, this much I know. Bill Brown always hoed To the end of the row.

You may want to cut this out and take to coffee next time so you don't have to memorize it!

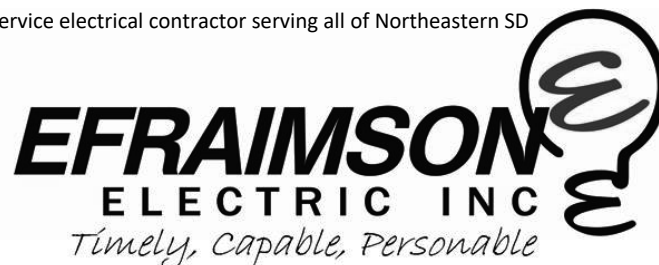

Please join us with a card shower in celebration of our mom's 90th birthday on July 26th.

Thank you from all of us: Jean, Jeff, Janelle, Jerome and Jack (Nelsons)

It's time to talk about zucchini

I'VE BEEN ASKED FOR SOME help with what to do with zucchini, so this week I'm sharing some tips on picking zucchini and how this versatile and budget-friendly summer squash can be used.

When picking zucchini, make sure it is firm to the touch and has smooth, blemish-free skin. I normally stay away from large, super-sized zucchini, as they tend to have bland flavor and a woody texture.

Whether you grow your own or purchase more than you can use, you don't want it to go to waste. Sure, you could freeze extra zucchini or bake it into way too many loaves of zucchini bread, but there are so many other ways to use it.

To save time when using zucchini, skip the peeler. The skin is safe to eat and almost flavorless. It will add color to your dishes, too. Just make sure to rinse the zucchini well before chopping.

HOME GROWN AMY HALVERSON

If you plan on heating up the zucchini with some form of heat, your best bet is to toss it in oil before you begin. Normally, olive oil, butter or vegetable oil will work best. It will help prevent sticking and speed up browning, and it helps seasonings stick.

Due to the mild flavor, zucchini makes a great base for piling on herbs and spices. Test out flavors from your spice rack like basil,

- 3 medium zucchini
- 1 pound pork sausage
- 1 cup dry bread crumbs
- ½ cup grated Parmesan cheese

Stuffed Zucchini

- 1 clove garlic, minced
- 32-ounce jar spaghetti sauce
- ½ cup shredded mozzarella cheese

Preheat the oven to 350 degrees.

Trim stems from zucchini and slice lengthwise. Scoop out seeds and place them in a large bowl. Add sausage, bread crumbs, Parmesan cheese and garlic; mix to combine.

Stuff squash with sausage mixture and arrange in a 9 x 13-inch baking pan. Pour spaghetti sauce over the top and cover with aluminum foil.

Bake in the preheated oven until sausage is browned and cooked through, about 45 minutes. Remove foil and sprinkle with mozzarella cheese; continue to cook until cheese is melted, about 15 minutes more.

thyme, oregano, rosemary and garlic as you cook. For a smoky, spicy kick, use a sprinkle of smoked paprika and cayenne.

If you are looking for an easy way to make recipes healthier, substitute

zucchini. Pasta dishes can be made using spiralized zucchini (zoodles) instead of regular pasta. Cubed zucchini can be added to soups and casseroles, too.

Enjoy!

Gardening is for taste and satisfaction

BY JOAN WOLLSCHLAGER

I've had gardens all my life; vegetables, not so much flowers. Everyone knows fresh veggies taste best, but the satisfaction of raising your own gives gratification and is therapeutic. Credit for my love of horticulture goes to my parents. My mom taught me so much, and my dad was known as the 'Sweet Corn Man' in Milbank. He was the local expert on raising potatoes, too.

Every January, those seed catalogs arrive, and it's a fresh start! A new variety each year keeps things interesting. Some that have stayed in my garden every year are edamame (an edible soybean) and Italian Chioggia beets. Both are very nutritious and oh so very tasty!

Gardening is a complete life cycle at our little farm. I use the compost from the sheep, goats and laying hens to fertilize next year's gardens. They get fresh weeds and left-over vegetables every day in return. It's not all roses, as hail, wind and drought take some crops, yet the rewards of spending the last hours of dusk bringing in fresh veggies is so sweet.

Weather is a dominating factor. Last year's dry weather was okay for things in my hoop house, as it had controlled drip watering and was covered with a shade cloth, but it was a bit too dry for the outside gardens.

This year's wonderful and timely rains have allowed for less watering;

however, the weeds keep me busy! I do all hand weeding. Spending an average of two hours every day, after my seasonal jobs, keeps me fairly caught up.

In 2010, the Natural Resources Conservation Service offered a high tunnel organic program, and participation required a big commitment of time and money. I turned this into

a sideline 'farmer's market.' These plastic-covered hoop houses, which extend your growing period, had an average life of ten years, and mine made it twelve.

This spring, the bad wind took the top plastic off. My repair and tilling partner, Brad Hauck, and I decided to go back to all old-fashioned digging in the dirt. It was nice having early cu-

Left: Check out these beautiful beets freshly picked from the garden. Above: Two varieties of zucchini freshly picked from the Wollschlager garden. (Photos by Joan Wollschlager)

cumbers and tomatoes while it lasted.

Pumpkins are a big autumn favorite. They are in the large patch that greets you just off the highway. Watching kids come to pick their favorite can really warm the heart.

Helping others to learn the benefits of raising fresh food is a priority. Everyone should know how their food gets to the table and be able to raise simple vegetables.

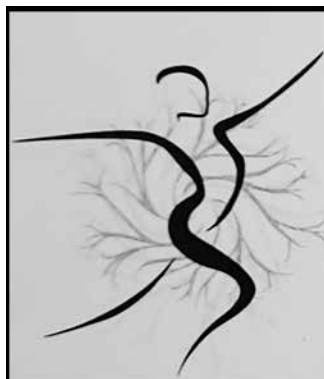

Stop out and visit when you see me working in the evenings. It would be a thrill to encourage others to garden with vegetables. You might go home with some herbs or zucchini!

Children and adult fun with pioneer toys

I HAVE DISCOVERED there's nothing like acting and feeling like a child when you are really a grown adult. Over the years, my Laura Ingalls Wilder presentations and school-teaching background has led me to teaching hundreds of children and adults how to play with different kinds of pioneer toys.

There are many kinds of pioneer toys, some even being around hundreds of years ago. Boys especially would make their own toys out of materials they had, including wood, beads, string, rocks, ribbon. It was common during pioneer times for boys to bring toys to play with during recess at school, while girls mainly brought dolls or sewing projects. Even though pioneer toys were not really mentioned in the Little House books, I am convinced that all of the Ingalls girls would have had multiple opportunities to play with pioneer toys, especially during recess or while visiting relatives who had such items.

The main toys I have used with kids include Jacob's Ladder, cup-and-ball, spinning tops, button buzzers, yo-yos and hoop-and-stick. I have seen hundreds of children eagerly watch and wait for a turn just to give one a try. Many children have never seen these kinds of toys as our world is filled with video games and other

LAURA'S CORNER

JULIE FRANCES MILLER
Guest Writers

modern "necessities."

My thirteen-year-old son Luke has become a collector and expert of spinning tops and tricks and has run a spinning top station at five of the Laura Ingalls Wilder homesites during their festivals. I recently attended "LauraPalooza," a conference about Laura Ingalls Wilder, where I witnessed Jakob and Emil Jakobsen, sons of a friend from Copenhagen, Denmark, experiment with a Jacob's Ladder toy and a cup-and-ball, coming up with a couple of new tricks of their own.

Years ago, at the "Little House in the Big Woods" near Pepin, Wis., I will never forget seeing a group of grown men having a blast trying to figure out different ways to play with the various spinning tops, with no children or women in sight. The love

Jakob Jakobsen, from Copenhagen, Denmark playing cup-and-ball at LauraPalooza conference in Malone, New York. (Photo by Adam Nebhut)

of play and the pioneer spirit goes beyond borders and beyond ages.

Do you want to stay "young at heart?" Young and old are invited to join Luke and me at one of the De Smet L.I.W. pageant nights this weekend (July 22, 23 or 24) from 6-8 p.m. and during intermission to play with pioneer toys.

Kingsbury Journal represented at LauraPalooza

Julie Frances Miller, left, represented the Kingsbury Journal in Burlington, Vermont at LauraPalooza. Eighty-five people attended and over sixty copies of the Kingsbury Journal were handed out by Miller. Right: Julie Miller and Stephanie Vavra and Ann Weller Dahl all attended the Authors' reception. (Photos by Adam Nebhut)

BY JULIE FRANCES MILLER

The Kingsbury Journal was represented at the Laura Ingalls Wilder "LauraPalooza" conference during an authors' and artists' reception on Wed., July 13. The Laura Ingalls Wilder Legacy and Research Association hosted the conference in South Burlington, Vt.

Notable Laura Ingalls Wilder authors participating included lead-

ing researcher William Anderson, television star Dean Butler ("Almanzo" from television's "Little House on the Prairie") and others including Mitali Perkins, Cindy Wilson, Annette Whipple, Christine Woodside, John Fry and Robert Goodby.

Julie Frances Miller, monthly columnist for "Laura's Corner," was there to hand out free issues of the paper and to autograph her

contributions. When an announcement was made about the creation of the "Laura's Corner" column, an "Oooohhhh" was the reply of the audience, in amazement and appreciation. Not a single free issue was left to take at the conclusion of the conference. To learn more about the research-based Laura Ingalls Wilder conference for adults, go to www.LIWLRA.org (also on Facebook and Twitter).

CARTHAGE NEWS

History on the city's museum

BY LORELEE NELSON

Trinity Lutheran Church will have worship on Sun., July 24 at 9:30 a.m. Visitors are always welcome.

The Carthage community play will be on Aug. 5 at 7 p.m. and Aug. 6 at 2 p.m. during Straw Bale Days. This year the play is a melodrama, "The Villain Wore a Dirty Shirt," by Tim Kelly, produced by Pioneer Drama Service of Englewood, Colo. JoDene Darnell will be playing the role of Ida, who plans to buy the Tub and Scrub Laundry. Colette Anderson and Pam Lagar are poor little orphans who work at the Tub and Scrub.

Becky Nelson, Baltic, visited her grandma Lorelee Nelson last Friday. Andrew Nelson joined them in the afternoon and for supper.

Lisa Hinkley, De Smet, visited her mother Harriet Hattervig Monday and went with her to Howard for a medical appointment.

Shorty and Kathy Faber were in Aberdeen last weekend for the State 3D Archery Tournament. Shorty placed first, making him a state champion. Kathy did not shoot but assisted with the tournament.

Dianne Larson and Pam Lager co-coordinated a blood drive in Carthage last Friday. Sixteen donors gave 17 units of blood. Vitalant of Aberdeen conducted the blood drive.

DID YOU KNOW

The Campbell Straw Bale Museum was built between 2001 and 2004, as funding became available. The previous museum, at the same location, was built in 1885 and was known as City Hall. A Mrs. Morrell had a hotel and restaurant in the building. It was taken over by the Wiley family in 1888. They added onto the building, added a second floor and operated a hotel there for many years. The IOOF Lodge purchased the building in 1924.

In 1976, the Historical Society located a museum in the east part and upstairs. In 1999, the newly formed Historical Society purchased the building from the city, intending to operate a museum there but soon deemed that it was unsafe for public access. After much pondering and planning, the Campbell Straw Bale Museum was built. It is the largest straw bale-built museum in the nation and perhaps the world ... found in Carthage, S.D. The annual Straw Bale Days to celebrate the museum will be held August 6-7.

Information from Carthage, Gem of the Redstone by Sally Madison.

BANCROFT NEWS

1961: Long-awaited move to new classrooms

BY ROSE GROTHE

Brad Magness, Huron, was the speaker at the Presbyterian Church on July 17. Thank you, Brad, for a wonderfully informative sermon about thanking the people behind the scenes, when things happen that make us "look good." If not for those who do all the preparation work first, what we ourselves have done would not look like much.

The Ladies Aid of the church held a special "tea" on Wednesday afternoon to honor and reveal the 'Secret Pals' we have had all year. It was held at the B & B in De Smet. It was such a lovely place to have a gathering like that, and a good time was had by all the attendees. Thank you, Eric and Robert.

This is something we have done for many years, letting some shut-ins know that they have not been forgotten. Sometimes, the recipients have found out who their 'Secret

Pals' were before the 'revealing day,' but most often, they are surprised to find they were wrong in their assumptions.

I had gone to Huron for a doctor's appointment on Monday, and it was such a pleasant drive, seeing the wonderful crops, so green and beautiful. However, the townspeople were still cleaning up the broken and uprooted trees from the last storm. It was nice to know it was just replaceable trees and not buildings and/or injured people. That no one was killed is always a blessing.

I gorged on so much dinner yesterday, I'm suffering from eat exhaustion.

1961 (THANKS TO PAULINE CLAASSEN)

February 2

Bancroft Eagles defeated the Raymond team in a basketball game. The score was 57-45. Terry Jencks was the high scorer with 24 points.

February 9

The Bancroft Eagles defeated Erwin 61-55. Mike Welsh was the high point man with 14 baskets.

February 16

The basketball team closed their season with a final game against Oldham. They won by a score of 49-46. Dave Welsh was high point man. The new auditorium was filled to capacity.

In the district tournament at Huron, the Eagles drew a bye, so they will play in the second round at 9 p.m.

March 2

The Bancroft P.T.O. met Feb. 20, and a report on fundraising for the new stage curtains in the auditorium was given. A total of \$1,053.64 has been raised so far.

March 20

The long-awaited move into the new classrooms came Tuesday of last week. The new building contains an entrance lobby, dressing rooms and classrooms with the auditorium to the east of the building.

NEWS BRIEF

American Legion Post holds another raffle

Following the huge success of its pallet-of-beer raffle fundraiser in June, De Smet's American Legion Post 138 is hosting another raffle this month, this time for a prize of "cash for gas."

Unlike the last raffle, which drew only one winner for a pallet of Busch Light beer (or a cash payout of \$1,000), this contest will have three lucky winners, each of whom will win \$200 cash (or check). Each ticket costs \$10, and the winners will be drawn after all 150 tickets have sold. Tickets can be purchased at Mathews Store Bar on Highway 25 south of De Smet, at Fields Fish & Game in town or from select Post members.

Proceeds from the fundraiser will go to the Post's kitchen/building improvement funds. Post Commander Harvey Hubbard said that about 80 tickets remained for sale as of Tues., July 19, so plenty of chances remain for anyone who wishes to try their luck and support their local Legion Post!

The last cemetery tour happening this weekend

As part of the Laura Ingalls Wilder Pageant this year, the society will be doing the cemetery tours again. This is the last weekend for the cemetery tour. It will be at 3 p.m. on Saturday where attendees can learn of the people who "haunt" the De Smet Cemetery. Attendees will meet out at the cemetery, and everyone is welcome.

ISO large or small pasture to rent for 2023 grazing season and beyond.

WELLNESS

Farmers Market is coming to town

BY AMY HALVERSON
Kingsbury Journal

Karla Steffensen has been working hard to get a farmers market going again in De Smet this summer. She's reached out to several local vendors in the area and posted on Facebook, searching for others who would be interested in participating in the market.

Steffensen is hoping to make this an even bigger weekly event than De Smet has had previously by having a variety of vendors, food trucks and maybe even activities for youth.

She is starting to collect names of those who would be interested in

participating, but she's hoping to find more vendors.

Steffensen would like to find vendors who offer produce, plants, flowers, hand-made items or baked goods; she's hoping to have food trucks at the park as well.

Any groups or organizations looking to raise funds are welcome to join the De Smet Farmers Market. Steffensen would love to see a group do youth activities during the event, so families can come to the market together and enjoy a fun night out at the park.

The De Smet Farmers Market will take place on Wednesdays at Wash-

ington Park by the Event Center. This location will provide more room for vendors and some much needed shade during hot days.

At this time there is no set time or date for the farmers market, but Steffensen is hoping to have enough vendors to begin either July 27 or August 3, 2022. It is tentatively planned for 4:30-7 p.m.

If interested in participating in the De Smet Farmers Market, please text or call Karla Steffensen at (605) 203-1710. A Facebook page called 'De Smet Farmers Market' has also been created for anyone interested in participating or attending.

Just biking through

Cycle America brought lots of bike riders through town on Tuesday afternoon. The De Smet Wellness Center also sponsored Berry Fast Bicycles, who did a free bike repair for community youth who brought their bikes to get fixed up for the rest of the summer. (Photo by Jodi Jung)

CITY COUNCIL

Grant funds awarded for water and sewer

On/off liquor sale license given to Half Pint

BY AMY HALVERSON
Kingsbury Journal

De Smet City Council met July 13, 2022, at the De Smet Event Center at 5 p.m. to go over several items, including the long-awaited water and sewer projects, liquor licenses and a farmers' market at the park.

WATER & SEWER PROJECTS

Shane Waterman, Engineer for IMEG, gave updates to the council on upcoming water and sewer projects that the city council has been working on for several years.

The city applied for a grant to help

cover the costs. They had asked for \$6,000,750, and they were awarded \$3,480,000, a little over half of what they needed. The rest of the funding will come from a State Revolving Fund (SRF) loan, which are affordable loan options to cities to improve water supply infrastructure.

Waterman advised the council that the Main Street Project, which they all agree is the priority, would cost approximately \$2.9 million for the water part of the project and \$915,000 for the sewer portion.

The funds granted to the city for the projects are for only what is necessary to fix the water and sewer issues. Anything extra such as fancy light poles or planters, which the city would like to have done during the construction, would have to come

from fundraising by the town.

The city has to have a plan for the funds by 2026, and the funds must be spent by 2027. Waterman suggested that they begin with the Main Street Project since that is the priority, and once that is completed, they can use additional funds for other water and sewer projects.

The council approved the contract for engineering services for the water and wastewater projects, and Waterman informed the council that staff would start working on the project designs as soon as they become available.

Construction on the Main Street Project could begin in 2024, if everything goes as planned.

De Smet

DAYS GONE BY

1947: Gas shortage starting to affect the locals

10 YEARS AGO

July 18, 2012

A North Dakota business is expanding in De Smet's industrial park. Sheyenne Dakota Inc. (SDI), a West Fargo based wire and cable harness manufacturer, will move into a spec building De Smet constructed in 2009 to attract new business. De Smet was one of 19 cities officials from Sheyenne Dakota Inc. considered as a new location for its expansion.

25 YEARS AGO

July 23, 1997

Kingsbury County Commissioners have opted out of the property tax freeze and have added a wheel tax in an effort to raise enough money to repair county roads. Both tax increases take effect in 1998, and most of the money they raise will go to repair roads.

"Anyone who has traveled anywhere in our county can attest that many, if not all, of our roads are in bad need of repair. Our crews have been working many overtime hours. They have made good progress; however, it will take more dollars than we have budgeted," commissioners said Tuesday in a letter to the editor.

51 YEARS AGO

July 22, 1971

Curtis L. Bratland, a native of Willow Lake, has been named as the new De Smet manager for Northwestern Bell Telephone Company and is already on the job, according to **John Schute**, who retired July 1. The appointment was announced by **W.G. Floral**, district manager for the company in Aberdeen. Mr. Bratland comes to De Smet from the plant department at Huron, having started work for the company as a lineman in 1967.

75 YEARS AGO

July 24, 1947

The gasoline shortage is being felt locally--with both distributors and

dealers operating under a quota basis. There seems to be no shortage of Ethyl gasoline, all dealers reporting a fairly good stock on hand. Bulk deal-

ers have been restricting service stations on regular gasoline, saving it for the use of farmers.

CITY COUNCIL: Farmers market to be coming Wednesday nights

FROM PAGE 12

LIQUOR LICENSES

Adam Sorenson had requested a transfer of the on-sale liquor license and operating agreement to change from Grumpy's under Adam Sorenson and Mike Hunt to Half Pint under Adam Sorenson. Sorenson did not attend the meeting, but Mike Hunt was present to oppose the transfer.

"As half owner of Dakota Grills Catering LLC, doing business as Grumpy's Grill & Pub, Adam has no consent from me," stated Mike Hunt. "I oppose it."

Council members asked Hunt if he still owns part of Grumpy's.

"Yes, I do," said Hunt. "I am also half owner of the property under S & H Holdings. Dakota Grills Catering holds the operating agreement."

With both parties listed on the operating agreement for the on-sale license, Todd Wilkinson advised the council that both Sorenson and Hunt would have to be in agreement in order for the name on the license to be changed. Wilkinson suggested the matter be tabled, and council members agreed.

The council then moved on to another request from Adam Sorenson for a new application for an on/off sale malt beverages and South Dakota farm wine license under Half Pint (Adam Sorenson).

Hunt opposed this application also, since the location given was the same address where he is half owner, but Wilkinson explained that the on/off sale license didn't have an operating

agreement like their other license; there are an unlimited number of these licenses available in town.

The council accepted the on/off sale license for Half Pint to be granted to Sorenson.

The council questioned the status and future of Dakota Grills Catering and the partnership between Sorenson and Hunt.

"I'd love to have him buy me out," Hunt said. "I want to sell out of the whole partnership."

The council suggested to Hunt that he and Sorenson sit down and figure things out, because they don't want to see another restaurant close in town.

FARMERS MARKET

Karla Steffensen asked for permis-

sion to host a farmers' market in De Smet at Washington Park on Wednesdays 4:30-7 p.m. She's hoping to have enough vendors by the end of July or beginning of August for it to begin. She would like to see lots of vendors and maybe some food trucks, too. She won't charge anything to those who want to participate. It is a not-for-profit event.

OTHER TOPICS

- The council approved an AED machine for the swimming pool at a cost of \$1,424 with a \$500 rebate available after the purchase.

- After an annual inspection showed need, the council approved roof repairs and maintenance for the event center and hospital roofs.

De Smet Middle/High School Supply List

First day of school Tuesday, August 23, 2022

Middle School Grades 6-8

- Accordion Folder (7 pockets) similar to this one
- Red Pen
- Blue or black pen
- Pencils
- Large eraser
- Black fine-point Sharpie Marker
- Thick-line dry erase marker
- Highlighter
- Markers and/or colored pencils
- Calculator (w/ fractions and square roots (similar to TI-30x))
- Glue stick
- Scissors
- 12-inch ruler with inches and centimeters
- Wired headphones or earbuds (no wireless headphones, please)
- Notebook paper
- 1 Book Cover for a social studies book
- Clear water bottle

PE: Please bring shorts, t-shirt, and a separate pair of non-marking tennis shoes on PE days. No street shoes allowed. Also bring personal hygiene supplies such as deodorant.

8th Grade Shop will need lumber for an individual project (to be determined when project is decided on)

Band: Get instruments cleaned over the summer at an instrument repair shop every other year or every year. (Taylor Music Shop for example)

De Smet High School Grades 9-12

Band

- Pencil

Get instrument cleaned over the summer at an instrument repair shop (every other yr. or every yr.) (Taylor Music for example)

P.E./Wight Lifting

- Shorts, t-shirt, non-marking tennis shoes, personal hygiene supplies

HS Math

- Calculator
- Notebook or binder with loose leaf paper
- Folder
- Ruler
- Pencils
- Red, Blue or Black pen
- Highlighter

English I

- Red Pens
- Black or Blue Pens
- Pencils
- 2-3 Folders
- Loose Leaf paper or a notebook
- Highlighters (color doesn't matter)
- Headphones/earbuds for use with Chrome book (no wireless headphones please)

- 1 3-inch binder

HS Shop Classes

- Work clothes that students can change into and get dirty or paint on them

Science

- Scientific Calculator
- Notebook or paper
- Pencils

English IV/English III/English II/Speech

- 4 x 6 notecards (white= lined or unlined)
- heavy-duty pocket folder
- large-size book cover for English textbooks
- red pen
- black or dark blue pens (no colored ink)
- flash drive
- post it notes (any color; 3 x 3 or larger; lined or unlined)
- highlighters (at least 4 different colors)

Creative Writing

- Top-fill clear filler sheets for binder (at least 50)
- flash drive
- heavy duty pocket folder
- black or dark blue pens (no colored ink)
- highlighters (at least 4 different colors)
- CLEAR water bottle**

New angel wings added to Ward's!

If you've driven by and noticed a new set of angel wings on the side of Ward's Store & Bakery, thank Mary Lee! The smaller wings can be enjoyed by youth and pets. Above is Ronni Aughenbaugh, daughter of Matt and Billi Aughenbaugh, enjoying a quick photo shoot. Below are Jacoby, left, Calla and Gracie Larson, children of Derick and Patti Larson, posing with the large set of wings while walking around with their Grandma Dianne Larson. (Submitted photos)

Little known facts about ... random things!

BY MARY LEE
Kingsbury Journal

Can't deny I have had some kind of writer's block. The lack of Little-Known Facts articles is my fault. So, what to do when a topic evades? Go with random topics and just see what we get. Thank you www.thefactsite.com.

- Oranges were originally green. The first oranges were imported to the West from Southeast Asia and were tangerine-pomelo hybrids that were green in color. Oranges in Vietnam and Thailand stay green throughout their lifetime.

- Russia has more surface area than Pluto. Russia has 6,601,668 square miles of landmass compared to Pluto's 6,427,805. The second largest country, Canada, is only 3,855,103 square miles.

- There is no specific time zone at the South Pole. This is because all the longitude lines on the planet meet up there. The stations on the South Pole use the time zone of the country that owns them, meaning two stations near each other could be using two different time zones.

- Surfer slang "hang ten" means having all 10 toes over the board's edge when riding a wave. This is a move that can usually only be done on a heavy longboard.

- Peanuts, walnuts, almonds, cashews and pistachios aren't nuts. They are classified as seeds, because a nut is defined as "a hard-shelled dry fruit or seed with a separable rind or shell and an interior kernel."

- The Eiffel Tower in Paris "grows" in the summer. Due to the heat expansion of the tower's iron in the summer's sun, the Eiffel Tower can grow by up to six inches in height!

- Koalas have unique fingerprints, as do chimpanzees and gorillas. However, koala fingerprints are so similar to human fingerprints that even the most seasoned forensic scientists would have a hard time telling a koala fingerprint from a human one.

- Avocados never ripen on trees. Farmers often use the avocado trees as a form of storage to keep their fruit fresh until they are ready to pick it and sell it.

- Camels don't actually store water in their humps. The age-old myth is not true. Their lovely camel humps are actually used to store fat. This is a storage of energy when food sources get scarce. It also serves as insulation to resist temperature fluctuations of the desert. The humps prevent the heat from the sun from penetrating into the body, which stops sweating and decreases water loss.

- Bees can fly higher than Mount Everest. They can fly at levels up to 29,525 feet above sea level – higher than the planet's tallest mountain!

- Your nose and ears never stop growing. Ugh! They are the only two parts of your body that keep growing when all your other features' growth comes to an end.

- Armadillos have shells so hard they can deflect a bullet. One poor Texan man learned this the hard way when he shot at an armadillo only to have the bullet ricochet off of the indestructible beast and back at him into his jaw! The man was hospitalized while the armadillo just walked off unscathed.

- All astronauts going to the International Space Station have to learn to speak Russian. This is because astronauts traveling to the ISS must

hitch a ride with Russian cosmonauts, and the controls of their spacecraft are in Russian.

- Fried chicken originated in Scotland, not Kentucky. It was a Scottish tradition from the Middle Ages to deep fry chicken. The Scots brought this dish with them to the Americas when immigrating to the southern United States, where it became a staple of American culture.

- The British Queen's handbag is

a body language communication device. (You thought her a fashionista.) It is used by her to relay secret and silent messages to her staff. For instance, if she is finished speaking to a guest, she will move it from one arm to another, and her aids will politely end the conversation. If she wants to abruptly end a conversation, she will put her bag on the ground.

- There was a type of pterodactyl with a bigger wingspan than a fighter

jet. Their remains were found in Romania. Standing as tall as a giraffe, the flying reptile would have weighed about half a ton. With a wingspan of 39 feet, it would have been bigger than the 33-foot wingspan of an F16 fighter jet.

- You are more likely to get bitten by a person than a shark, especially in New York City, where the annual number of people-on-people bites is 10 times higher than the annual number of shark bites worldwide.

BY CORRIE WALTER
Kingsbury Journal

You may not have heard the words "get your peanuts and popcorn" chanted this summer on the Lake Preston diamond, but that does not mean the youth didn't have a lot of fun this season.

Most Monday and Wednesday nights since mid-May, girls were sporting their softball gloves, hitting the ball with all their might, and even a few could be found playing in the dirt. Tuesday and Thursday nights, 27 boys ages 4-9 hit the baseball diamond with their bats and gloves in tow.

Lake Preston was able to field a 6U t-ball team and an 8U coach pitch team for both the boys and the girls. First year coach Amber Nelson really enjoyed her time with the girls, and Ryan Sauter, Shane McCloud, Jessi Buer, Reid McDaniel and Matt Pillar helped coach the boys' teams.

Madi Casper has played softball now for three years. "I love when I am up to bat and get to hit the ball," Casper said. "I also really enjoy playing pitcher when we are in the out-

Baseball team

Front row, Jett O'Dea, Granger Sjolie, Daxtin Odegaard, Willy Begnaud, Nash Sauter, Braven Sjolie, Jackson Pillar, Tyson Buer and Woody Begnaud. Back row, Jackson Sauter, Leo Begnaud, Emerson Hesse, Elliott Cottier, Marcus Rosenau, Konner Nuzum, Cooper McDaniel, Sage Smith and Waylin Odegaard. Coaches Matt Pillar, Ryan Sauter and Jessi Buer. (Submitted photo)

field."

"We would like to say thank you to every parent, grandparent and all supporters for making this year happen," said Coach Nelson. "Thank you to the girls who participated during

the season. They have come so far this year, and I can't wait for next season."

Coach Nelson and the rest of the girls would like to thank Aflac, Luke Smith, Tailored Structures LLC, Bob

Bode Construction, Shear Perfection and Virchow Insurance and Seed for sponsoring the girls' uniforms this year.

"It was so fun being with my friends and family when they came to watch our games," said 6-year-old Nash Sauter about the season. "It was the best thing ever."

The boys incorporated a new automatic pitching machine that allowed the coaches to maintain a more consistent game environment, which really improved their hitting skills.

"We started out the season like the bad news bears but greatly improved as the season went," Coach Sauter said. "This is a great group of young boys."

The baseball boys and all their coaches would like to thank Hasche Insurance for sponsoring their shirts for the 2nd year in a row.

Since both the boys' and girls' teams are relatively young, the hard work they put in this season along with all the improvements made has all the coaches looking forward to what they can accomplish next season.

MENUS

60s-plus meals

The Lake Preston Café is available for dine-in and take out. Please call (605) 847-4605 to be added to the list.

THURSDAY, JULY 21: Brats/Bun, Diced Potatoes, Baked Beans, Fruit

Kingsbury Klassic Kruisers hold 31st annual car show

Over 120 cars were on display on Main Street at the Kingsbury Klassic Kruisers annual car show. (Photo by Mabel Andrews)

BY SASHA ANDREWS
Kingsbury Journal

With 120 cars on display, the 31st annual Kingsbury Klassic Kruisers Car Show was held in Lake Preston, S.D., on Sun., July 17, 2022.

The group itself has been together for 32 years; the first meeting on May 9, 1991, at Pat and Carroll's Supper Club on Highway 14. They met to discuss Old Settlers Day, the upcoming Canton car show and plans to elect officers at the next meeting.

The first elected officers were Michelle Nelson, president; Jerome Woodcock, vice president and Janean Woodcock, secretary/treasurer. Fifteen members attended the meetings in the beginning.

The Kingsbury Klassic Kruisers was formed as an organization for car enthusiasts to get together, show off their vehicles and enjoy fun cruises to other towns. Car shows were just beginning to become more popular.

Originally, they had one car show a year, alternating between De Smet and Lake Preston to match up with the town hosting that year's town celebration. The club later decided to host the car show on Lake Preston's main street since it was perfect having the community center for registration of vehicles. The Lake Preston car show has turned out to be very successful, one of the most attended of the car shows in the area.

The car club also gives out scholarships for students in the community going into the automotive industry.

Currently, the president is Scott Bentley with Rick Olson as the vice president, Alden Oldsen as treasurer and James Andrews as secretary. About 10-15 people attend each meeting.

In no particular order, 2022 winners for each class

1000 CARS ORIGINAL 00-42

Leo Falconer, Lyons, S.D. - 1929 Ford Model A
Brad Holve, Nashville, Tenn. - 1935 Chevy Master Deluxe Sport Sedan

LOOKING BACK

1972: Over 100 horses competed in 20-event program

10 YEARS AGO
July 18, 2012

Blue skies and sunshine took center stage at the 2012 Town & Country Days celebration held over the weekend, as friends and family gathered in Lake Preston to celebrate the annual event. Festivities began Friday with the Cancer Walk; over 1,200 luminaries lined the track, honoring area cancer victims. It was a glowing success as \$44,103 was raised for the event.

Saturday had the football team fundraiser and the 5th annual Jaycees poker run ending with the fire department's street dance. The crowd of all ages spent the night dancing to the tunes of the White Creek band.

After the community worship service followed by a meal provided by the Lake Preston Chamber/4 Lakes Forward, the Kingsbury Klassic Cruisers 22nd annual car show was held on Main Street. The show had a varied collection of cars and trucks with over 84 vehicles on display. **Jim Felderman's** '69 Ford Mustang 429 stole the show, winning Best Mustang among other categories.

25 YEARS AGO
July 17, 1997

Many activities are planned for the upcoming Town & Country Days celebration scheduled this weekend. The Kingsbury Klassic Cruisers car club will hold a muffler rap contest, valve cover races and a cruise starting at 6 p.m. on Saturday. After the community worship and noon barbeque on Sunday, awards will be presented to an outstanding citizen from both rural and city areas. The 7th annual car show will also feature a children's

TEN YEARS AGO: The annual Town and Country Days celebration was held in Lake Preston over the weekend. From the Kingsbury Klassic Cruisers Car Show, above, to the Kingsbury County Cancer Walk to the Lake Preston Volunteer Fire Department Street Dance, the weekend was packed with fun for all ages.

pedal tractor pull. Free swimming and even airplane rides offered by **Jerry and Betty Ellingson** will be attractions for area youth.

Repairing county roads has been a costly affair this spring. Kingsbury County has already spent more than \$65,000 repairing flooded roads and faces another \$150,000 to \$200,000 to rebuild three sections of highway that are just now coming out of the water.

50 YEARS AGO
July 20, 1972

Horse shows provided entertainment last week. On Wednesday, the county 4-H show was held at the arena grounds west of town. There was

a flurry of activity as the show had to be held outside the regular, enclosed arena that had become a quagmire due to the rain the preceding night. The 4-H judging was then held with mommas, poppas, anyone capable of showing horses, handling the animals for the judging teams. Twenty-eight 4-Hers participated in the event.

On Sunday, a highly successful show was conducted by the Bit & Spur Saddle Club, with more than 100 horses from throughout eastern South Dakota competing in the 20-event program. This is the first of two horse shows this year, with the annual trail ride and show happening August 19-20 in conjunction with

Town & Country Days.

Margaret Ann Odden and Shirley Rasmussen, along with six other Kingsbury County teens, will attend the seventh annual Farm Bureau Citizenship Seminar at Black Hills State College July 30 - August 3. The seminar is sponsored by the SD Farm Bureau with students, juniors or seniors in the upper 2/3 of their class scholastically, selected by each county.

75 YEARS AGO
July 17, 1947

Twenty-eight boys between the ages of 16 -21, a guide and the county secretary left Wednesday of last week for a sightseeing trip to St. Paul and Minneapolis sponsored by the Kingsbury County Farmers Union. They returned Friday evening.

Rufus Thorsvold, manager of the LP Co-op Creamery, left Sunday on a free fishing trip to Canada awarded him by the Sioux Falls Milling Company for being an outstanding dealer, one who gives real service to his customers.

100 YEARS AGO
July 20, 1922

Mayor J. H. Lloyd made the first move toward providing the new tourist park an attractive place for children by having a place excavated, cemented up and soon to be finished so youngsters will have a real swimming pool. The tennis courts are being graded, and the ball fans are doing the same with their grounds. Last Friday, a subscription paper was circulated to add a swimming pool for grown-ups.

Sjolie honored

Roselyn Sjolie's family was honored Sunday for all of her work throughout the years on the Chamber and for the town. Lisa Casper, left, Chamber president, Doug Malone, Jan Lemme, Mark Sjolie and his sons, Granger and Braven. (Photo by Ceci Bode)

A big thank you to Gevo for sponsoring the dinner in the park during Town and Country Days this last Sunday. Also, thank you to Maynard's for your contributions and help, as well. The free will donations received that day will go to the Kingsbury County Cancer Walk. It was a great weekend.

Reports

NESC: The NESC business was reviewed by NESC Representative Barb Asleson. The June meeting was routine business and budgeting discussion.

Education Enhancement Foundation: No reports.

Legislative Report: No reports.

Facilities/Buildings Report: Supt. Abi told the board that Co-op Architects have a time line for sending out building specifications and advertising for bids to be opened on August 16th. There was a mishap with the soil boring test last week even with all the precautions taken to avoid the geo-thermal lines, The company doing the boring had measured out 15 feet from what the map of the geothermal read, yet hit one in the first drill. The system was shut down immediately by Mr. Terry Holland to prevent further damage. He is working on the repair of the lines and getting all back up and running in the near future.

The work on the well has been completed and is functioning above expectations with the water pressure being able to reach all areas of the field with no lapse of coverage. Supt. Abi expressed her gratitude with John Kaiser of Kaiser Well Drilling, for his generous donation of \$5500 toward the installation of the new well. The Board also were very thankful. There will be an acknowledgement placed at the field.

Principal’s Reports: The board heard that summer school has been wrapped up and went very well. There are still special education services continuing for a few more weeks in the MS/HS building. Supt. Abi has been contacted by Big Sioux Media, a broadcasting company out of Dell Rapids, SD. They would like to offer their services to broadcast the football events and away ball games. Jim Millman would be hired by the company to be the broadcaster for the events and is supportive of the company. Pres. Roth noted that he has followed other ballgames that they have covered and said they do an excellent job.

Supt. Abi has applied for an electric bus grant. The grant, if we were to be approved would provide \$375,000

for an electric bus along with \$20,000 for infrastructure to support the bus. Foreman’s of Miller service electric busses and are within the chargeable mileage the bus’ hold. It takes 4 hours to fully charge a bus.

Assistant Football Coach Position: On motion by D. Garry, seconded by E.Buckmiller to approve an additional asst football coaching position. Supt. Abi, Princ Bettin and AD Geyer feel this is a positive move for our football program and that other schools in our conference currently have a head coach and 2 asst positions for their HS program. The salary, per the negotiated agreement would be \$2927. All voting “aye”, motion carried.

Adjournment of FY2021 Business: There being no further business at this time for FY22, on motion by D. Garry, seconded by E. Buckmiller to adjourn. All voting “aye”, motion carried

At this time, board members and administrators presented a plaque to outgoing board member Donita Garry for her 16 years of service to the De Smet School District. Mrs. Garry has served on many committees and given hours of her own personal time to listen to her constituents on behalf of the wellbeing of the School District. The board thanked her on behalf of all the students, and our community and noted that it was an honor to serve with her.

FY2022 Meeting called to Order to order by Bus. Mgr. Susan Purintun

Swearing In of Board Member: Barb Asleson was sworn in for a three year term and recited the Oath of Office after being seated with no opposition for her position. At this time, the position of Donita Garry is open and the Board will consider individuals to replace her for a one year term.

Board Officers: Bus. Mgr. Susan Purintun called for nominations of the seat of presidency of the Board of Education. Jared Tolzin nominated Shane Roth for President, seconded by Barb Asleson. Jared Tolzin moved that all nominations cease, seconded by Evan Buckmiller. Bus. Mgr. Purintun called for a vote, all voting “Aye”, motion carried. Shane Roth was declared President of the De Smet Board of Education for the 2022-2023 fiscal year.

Pres. Roth called for nominations for the office of vice-president. Evan Buckmiller nominated Barb Asleson for Vice-President, seconded by Jared Tolzin. Evan moved that all nomination cease, seconded by Jared Tolzin. Pres. Roth called for a vote. All voting “aye”, motion carried. Barb Asleson will serve as Vice-President of the De Smet Board of Education for the 2022-2023 fiscal year.

Consent Agenda: On motion by J. Tolzin, seconded by B. Asleson and unanimously carried to approve the consent agenda: designation of American Bank and Trust as the official depository for the FY2023; designation of Kingsbury Journal as the official newspaper; authorization of the continuation of the school food service agreement with the State of South Dakota; Bus.Mgr. Susan Purintun as administrator of Trust and Custodial Funds; designation of Attorney Todd Wilkinson for the FY23 with the option to use other legal counsel for case specific instance and to prevent a conflict of interest.; Designation of Daniel Bettin as Title IX Coordinator; Designation of regular meeting dates as the second Monday of each ;month at 5:30

PM in the High School Library; Set school board salary at \$50 per meeting for local meetings and \$60 per Northeast Education Cooperative meetings with travel at state rate; approval of Special Education IDEA Comprehensive Plan; authorization of Supt. Abi Van Regenmorter or her designee to have the authority to close the school due to inclement weather or other emergencies; adopt the following activity admission prices/season tickets – Adults \$5.00, Students \$3.00; Adult Season Pass \$40; SR. Citizen (65 years and older) \$20; Student Pass \$20; Lunch prices K-5 \$3.00; 6-12 \$2.5; Adults \$4.00; Reduced .40; Breakfast prices K-5 \$1.35; 6-12 \$1.50 Federal regulations require meal prices to be established for free and reduced applications.

Board/Committee Appointments: On motion by E. Buckmiller, seconded by B. Asleson to appoint Shane Roth as the Free and Reduced Meals hearing officer. All voting “aye”. Motion carried.

On motion by J. Tolzin, seconded by E. Buckmiller to appoint Barb Asleson as school board member to serve on the NESC Board of Directors with Jared Tolzin and Evan Buckmiller as alternates. All voting “aye”. Motion carried.

On motion by E. Buckmiller, seconded by B. Asleson to appoint Jared Tolzin as Education Enhancement Foundation Representative. All voting “Aye”, motion carried.

On motion by B. Asleson, seconded by S. Roth to appoint Evan Buckmiller and Jared Tolzin to the District’s Building Committee. All voting “aye”, motion carried.

On motion by E. Buckmiller, seconded by B. Asleson to appoint Shane Roth and Jared Tolzin to serve on the Facility Use Committee with the City Council members. All voting “aye”, motion carried.

Wrestling Cooperative Agreement: The board reviewed the Wrestling Cooperative agreement between Arlington, De Smet, Lake Preston and Iroquois. On motion by B. Asleson, seconded by E. Buckmiller to approve the agreement. This year’s agreement adds the school district of Iroquois as they and Lake Preston are in a sports cooperative agreement for the next two years. Supt Abi noted that the wrestling coaches wanted the Board to be cautious of moving forward so that the Knights are not elevated to the next higher class. All voting “aye”, motion carried.

Executive Session: On motion by B. Asleson, seconded by J. Tolzin to go into executive session on personnel matters pursuant to SDCL 1-25-2(1) at 5:46 PM All voting “aye”, motion carried.

Regular session resumed at 6:19

Board members were reminded of the Budget Hearing that is set for July 25th, 2022 at 5:30 PM.

Adjournment: There being no further business at this time on motion by B. Asleson, seconded by E. Buckmiller to adjourn. All voting “aye”. Motion carried. 6:19 PM

NOTICE TO BIDDERS

Sealed bids will be received by Business Manager on behalf of the De Smet School District, De Smet, South Dakota, at the Administration Office, 405 3rd Street SW, De Smet, South Dakota 57231, for the De Smet Elementary School Project until 2:00 p.m., local time on Tuesday, August 16th, 2022. A prebid meeting will be held at the De Smet Middle-High School, 405 3rd Street SW, De Smet, South Dakota 57231 at 2:00 p.m., local time on Thursday, July 28th, 2022.

Copies of the Plans and Specifications will be made available electronically (pdf format) and printed at the bidder's own expense and at the exchanges listed below. Technical questions shall be directed to Jason Kann at CO-OP Architecture, LLC, Sioux Falls, South Dakota at 605-334-9999.

Aberdeen Builders Exchange
Aberdeen, SD
Construction Industry Center, Rapid City, SD
Minnesota Builders Exchange,
Minneapolis, MN
Plains Builders Exchange, Sioux Falls, SD
Sioux Falls Builders Exchange, Sioux Falls, SD

Bids shall be submitted to the De Smet School District in a sealed envelope with the name and address of the bidder clearly identified on the envelope and the words "Bid for De Smet Elementary School Project". Faxed bids will not be accepted. One combined bid will be accepted for complete construction (all material and labor) as required to provide a complete project.

No bidder may withdraw a bid for 30 days following the bid opening without a written request explaining the cause of the withdrawal and without written consent of the Owner after reviewing the cause.

Each bid shall be accompanied by a certified check, a cashier's check or draft certified or issued by a state or national bank, in the amount of at least five percent (5%) of the total amount of the bid, payable to the De Smet School District; or in lieu thereof, bidder may furnish a bid bond in the amount of not less than ten percent (10%) of the amount of the bid, such bond to be issued by a surety authorized to do business in the State of South Dakota and payable to the De Smet School District as a guarantee that such bidder will enter into a contract with the School District for the work described in the bid and as specified.

The De Smet School District reserves the right to accept or reject any or all bids and to waive any irregularities therein.

DE SMET SCHOOL DISTRICT NOTICE OF NON-DISCRIMINATION

The De Smet School District #38-2 does not discriminate on the basis of race, color, national origin, sex, disability, or age in its programs and activities and provides equal access to the Boy Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies:

Supt. Abi Van Regenmorter
De Smet School District #38-2
405 Third Street SW
P.O. Box 157
De Smet SD 57231
605-854-3070

For further information on notice of non-discrimination, please contact the Office for Civil Rights:

Office for Civil Rights
U.S. Department of Education
One Petticoat Lane
1010 Walnut Street, Suite 320
Kansas City, MO 64106
Telephone: (816) 268-0550
Facsimile: (816) 268-0559
Email: OCR.KansasCity@ed.gov
CHILD FIND

The De Smet School District #38-2, in order to fulfill the obligations of the Individuals with Disabilities Education Act (IDEA) and Section 504 of the Rehabilitation Act is required to inform and provide full educational opportunities to all individuals with disabilities ages birth through twenty-one. Abi Van Regenmorter, Superintendent of the De Smet School District needs your assistance to identify, locate, and evaluate all children with disabilities. This public awareness notice is to inform parents and other individuals/agencies of the availability of educational services and related services to all individuals who reside within the jurisdiction of the De Smet School District and who are between the ages of birth through twenty-one, regardless of the severity of their disability. This includes individuals in all public and private agencies and institutions and highly mobile children with disabilities, such as migrant and homeless children, who reside within the legal boundaries of the district.

Anyone aware of an individual who may benefit from educational services and related services is encouraged to call the De Smet School District, at 605-854-3070.

PUBLIC INFORMATION

The De Smet School District has the following documents available for re-

view by parents of children with disabilities and to the general public:

1. Comprehensive Plan for Special Education.
2. IDEA Federal Applications for Funds.
3. Special Education Accountability/Monitoring Final Report.
4. Applications, evaluations, periodic program plan or reports relating to federal programs including auditor's reports, statements of assurance, budget, and grant materials.

Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the De Smet School District receives a request for access. Parents or eligible students should submit to the school superintendent a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the De Smet School District to amend a record should write the school superintendent, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill

Continued on next page

Public Notices

Continued from preceding page his or her professional responsibility. 4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the [School] to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW

FEDERAL PROGRAMS COMPLAINT PROCEDURE

Complaints against Titles I, II, IV, or V programs and expenditures may be received at the local, state, and national level. The expeditious and reasonable handling of these complaints is necessary for the effective conduct of the program as well as to promote community understanding and involvement. Complaints shall be translated into constructive suggestions and recommendations for improvement of Titles I, II, IV and V programs.

The following procedures are outlined for use at De Smet School District #38-2:
Record Initiated – A written record containing information pertinent to both the source and nature of the complaint should be initiated.
Complaint Hearing – Within fifteen (15) days following receipt of complaint, a hearing concerning the complaint shall be held by a hearing committee. Recommendations of the committee shall address answering the complaint. The committee shall be appointed by the Superintendent. No less than two persons shall be assigned to the committee, preferably the local coordinator and a parent.
Hearing Minutes – Minutes of a complaint hearing shall be taken and maintained at the local education agency. A copy of such minutes along with committee recommendations and administrative action shall be filed with the South Dakota Department of Education.
State Follow-Up – The South Dakota Department of Education shall maintain a record of all complaint hearings. The designated State Coordinator shall review the records of the complaint hearing and make contacts with the local education agency regarding a follow-up and possible remedial action.

If the complaint is not resolved to mutual consent of both parties, then either party can appeal through the state level procedures.

MODEL NOTIFICATION OF RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas (“protected information survey”) if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–
- 1. Political affiliations or beliefs of the student or student’s parent;
- 2. Mental or psychological problems of the student or student’s family;
- 3. Sex behavior or attitudes;

- 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
- 5. Critical appraisals of others with whom respondents have close family relationships;
- 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
- 7. Religious practices, affiliations, or beliefs of the student or parents; or
- 8. Income, other than as required by law to determine program eligibility.

- Receive notice and an opportunity to opt a student out of –
- 1. Any other protected information survey, regardless of funding;
- 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
- 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- Inspect, upon request and before administration or use –
- 1. Protected information surveys of students;
- 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
- 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

The De Smet School District policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. De Smet School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. De Smet School District will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. De Smet School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above.

Parents who believe their rights have been violated may file a complaint

NOTICE OF AUDIT OF THE FISCAL AFFAIRS OF THE CITY OF DE SMET

Notice is hereby given that the records and books of account of the City of De Smet, South Dakota, have been audited by Grant and Williams, Inc., Certified Public Accountant of Sioux Falls, South Dakota for the year ended December 31, 2020. A detailed report thereon, containing additional information, is filed with the City of De Smet and the Department of Legislative Audit in Pierre, South Dakota for public inspection.

The following findings and recommendations referred to in the report are hereby listed in accordance with the Provisions of SDCL 4-11-12.

CURRENT AUDIT FINDINGS AND RECOMMENDATIONS

Finding:

Two financial officers processed all revenue transactions from beginning to end. The staff were able to receive money, issue receipts, record receipts, post receipts in the accounting records, prepare bank deposits, reconcile bank statements, and prepare financial statements.

Recommendation:

We recommend that the City of De Smet’s officials be cognizant of this lack of segregation of duties for revenues, expenditures and payroll and attempt to provide compensation controls whenever and wherever possible and practical.

Response:

The City Council will continue to monitor the Finance Office’s revenue process through monthly council reports and the implementation of compensating internal controls, whenever and wherever possible.

Finding:

The City’s internal control system is designed to provide monthly financial statement. Due to time constraints, the Finance Officer has not designed the annual financial statements within the accounting system. The City has requested that the auditors draft the financial statements and the accompanying notes to the financial statements.

Recommendation:

While we recognize that this condition is not unusual in an organization of your size, it is important that you be aware of this condition for financial reporting purposes. Management and the City Council should continually be aware of the financial reporting of the City and changes in reporting requirements.

Response:

We are aware of the risk associated with not preparing our financial statements but believe our review of the financial statements to be adequate to reduce this risk.

LAKE PRESTON SCHOOL DISTRICT NOTICE OF NON-DISCRIMINATION

The Lake Preston School does not
discriminate on the basis of race,
color, national origin, sex, disability,
or age in its programs and activities
and provides equal access to the Boy
Scouts and other designated youth
groups. The following person has
been designated to handle inquiries
regarding the non- discrimination
policies:

Superintendent Mr. Dana Felderman
300 1st SE
Lake Preston, SD 57249 1-605-847-
4455
For further information on notice of
non-discrimination, please contact
the Office for Civil Rights: Office for
Civil Rights
U.S. Department of Education One
Petticoat Lane
1010 Walnut Street, 3rd floor, Suite
320 Kansas City, MO 64106
Telephone: 816-268-0550
FAX: 816-268-0599

CHILD FIND

The Lake Preston School District,
in order to fulfill the obligations
of the Individuals with Disabilities
Education Act (IDEA) and Section 504
of the Rehabilitation Act is required
to inform and provide full educa-
tional opportunities to all individuals
with disabilities ages birth through
twenty-one.

Mr. Dana Felderman, Superintendent
of the Lake Preston School District
needs your assistance to identify,
locate, and evaluate all children with
disabilities. This public awareness
notice is to inform parents and other
individuals/agencies of the avail-
ability of educational services and
related services to all individuals
who reside within the jurisdiction of
the Lake Preston School District and
who are between the ages of birth
through twenty-one, regardless of
the severity of their disability. This
includes individuals in all public and
private agencies and institutions and
highly mobile children with disabili-
ties, such as migrant and homeless
children, who reside within the legal
boundaries of the district.

Anyone aware of an individual who
may benefit from educational ser-
vices and related services is encour-
aged to call the Lake Preston School
District, at 605-847-4455.

PUBLIC INFORMATION

The Lake Preston School District has
the following documents available
for review by parents of children
with disabilities and to the general
public:

1. Comprehensive Plan for Special
Education.
2. IDEA Federal Applications for
Funds.
3. Special Education Accountability/
Monitoring Final Report.
4. Applications, evaluations, periodic
program plan or reports relating to
federal programs including
auditor's reports, statements of as-
surance, budget, and grant materi-
als.

IDEA Regulation 300.212 SPED Comprehensive Plan

The school district will make avail-
able to parents of children with dis-
abilities and to the general public all
documents relating to the dis-
trict's eligibility under Part B of
the Individuals with Disabilities
Education Act.

Model Notification of Rights under FERPA for Elementary and Secondary Schools

1. The Family Educational Rights and
Privacy Act (FERPA) affords parents
and students who are 18 years of age
or older ("eligible students") certain
rights with respect to the student's
education records. These rights are:

2. The right to inspect and review
the student's education records
within 45 days after the day the Lake
Preston School receives a request for
access.

Parents or eligible students who
wish to inspect their child's or their
education records should submit
to the school principal a written re-
quest that identifies the records they
wish to inspect. The school official
will make arrangements for access
and notify the parent or eligible stu-
dent of the time and place where the
records may be inspected.

3. The right to request the amend-
ment of the student's education
records that the parent or eligible
student believes are inaccurate, mis-
leading, or otherwise in violation of
the student's privacy rights under
FERPA.

Parents or eligible students who
wish to ask the Lake Preston School
to amend their child's or their educa-
tion record should write the school
principal, clearly identify the part of
the record they want changed and
specify why it should be changed. If
the school decides not to amend the
record as requested by the parent
or eligible student, the school will
notify the parent or eligible student
of the decision and of their right to
a hearing regarding the request for
amendment. Additional information
regarding the hearing procedures
will be provided to the parent or eli-
gible student when notified of the
right to a hearing.

3. The right to provide written con-
sent before the school discloses
personally identifiable information
(PII) from the student's education
records, except to the extent that
FERPA authorizes disclosure without
consent.

One exception, which permits disclo-
sure without consent, is disclosure
to school officials with legitimate
educational interests. The criteria

Continued on next page

Public Notices

Continued from preceding page for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Lake Preston School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education 400
Maryland Avenue, SW Washington,
DC 20202

MODEL NOTICE FOR DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that the Lake Preston School District with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, Lake Preston School District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Lake Preston School District to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone

listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Lake Preston School District to disclose any or all of the types of information designated below as directory information from your child's education records without your prior written consent, you must notify the Lake Preston School District in writing by the first day of school. Lake Preston School District has designated the following information as directory information:

- Student's name
- Address
- Telephone listing
- Electronic mail address
- Photograph
- Date and place of birth
- Major field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and sports
- Weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended
- Student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's SSN, in whole or in part, cannot be used for this purpose.)
- A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used in conjunction with one or more factors that authenticate the user's identity, such as a PIN, password, or other factor known or possessed only by the authorized user.

PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

What is the Protection of Pupil Rights Amendment (PPRA)?

The Protection of Pupil Rights Amendment (PPRA) applies to the programs and activities of a state education agency (SEA), local education agency (LEA), or other recipient of funds under any program funded by the U.S. Department of Education. It governs the administration to students of a survey, analysis, or evaluation that concerns one or more of the following eight protected areas:

1. political affiliations or beliefs of the student or the student's parent;
2. mental or psychological problems of the student or the student's family;
3. sex behavior or attitudes;
4. illegal, anti-social, self-incriminating, or demeaning behavior;
5. critical appraisals of other individuals with whom respondents have close family relationships;
6. legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
7. religious practices, affiliations, or beliefs of the student or student's parent; or
8. income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program).

PPRA also concerns marketing surveys and other areas of student privacy, parental access to information, and the administration of certain

physical examinations to minors. The rights under PPRA transfer from the parents to a student who is 18 years old or an emancipated minor under state law.

What policies must a local education agency (LEA) develop under the Protection of Pupil Rights Amendment (PPRA)?

The Protection of Pupil Rights Amendment (PPRA) requires that local education agencies (LEAs), in consultation with parents, develop the following local policies concerning student privacy, parents' access to information, and administration of certain physical examinations to minors:

- The right of a parent of a student to inspect, upon the request of the parent, a survey created by a third party before the survey is administered or distributed by a school to a student, and any applicable procedures for granting a request by a parent for reasonable access to the survey within a reasonable period of time after the request is received;
- Arrangements to protect student privacy that are provided by the LEA in the event of the administration or distribution of a survey to a student containing one or more of the eight protected areas of information;
- The right of a parent or student to inspect, upon the request of the parent, any instructional material used as part of the educational curriculum for the student, and any applicable procedures for granting a request by a parent for reasonable access to instructional material within a reasonable period of time after the request is received;
- The administration of physical examinations or screenings that the school or LEA may administer to a student;
- The collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information, or otherwise providing that information to others for that purpose, including arrangements to protect student privacy that are provided by the LEA in the event of such collection, disclosure, or use;
- The right of a parent of a student to inspect, upon request, any instrument used in the collection of personal information (a student or parent's first and last name, a home or other physical address, a telephone number, or a Social Security identification number) before the instrument is administered or distributed to a student, and any applicable procedures for granting a request by a parent for reasonable access to such instrument within a reasonable period of time after the request is received.

What types of notification do local educational agencies (LEAs), i.e., school districts, have to make to parents about the Protection of Pupil Rights Amendment (PPRA)?

There are three types of notification an LEA must provide parents and students. The first one is a general notification of their rights under PPRA.

The second notice is a notification of specific events. The following activities require notification:

- Activities involving the collection, disclosure, or use of personal information collected from students for marketing purposes or for selling that information, or otherwise providing it to others for that purpose;
- The administration of any survey

containing one or more of the eight protected areas listed above: and

- Any nonemergency, invasive physical examination or screening that is: (1) required as a condition of attendance; (2) administered by the school and scheduled by the school in advance; and (3) not necessary to protect the immediate health and safety of the student, or of other students.

The third notice is a notification of the policies LEAs are required to develop, in consultation with parents, under PPRA. The LEA shall provide the notice at least annually, at the beginning of the school year, and within a reasonable period of time after any substantive change in the policies.

MODEL NOTIFICATION OF RIGHTS UNDER THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA)

PPRA affords parents of elementary and secondary students certain rights regarding the conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include, but are not limited to, the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED)–
 1. Political affiliations or beliefs of the student or student's parent;
 2. Mental or psychological problems of the student or student's family;
 3. Sex behavior or attitudes;
 4. Illegal, anti-social, self-incriminating, or demeaning behavior;
 5. Critical appraisals of others with whom respondents have close family relationships;
 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers;
 7. Religious practices, affiliations, or beliefs of the student or parents; or
 8. Income, other than as required by law to determine program eligibility.

- Receive notice and an opportunity to opt a student out of –
 1. Any other protected information survey, regardless of funding;
 2. Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law; and
 3. Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others.

- Inspect, upon request and before administration or use –
 1. Protected information surveys of students;
 2. Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes; and
 3. Instructional material used as part of the educational curriculum.

These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law.

Lake Preston School District has adopted policies, in consultation with parents, regarding these rights, as

Continued on next page

Public Notices

Continued from preceding page well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. Lake Preston School District will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. Lake Preston School District will also directly

notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parent to opt his or her child out of participation of the specific activity or survey. Lake Preston School District will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided reasonable notification of the planned activities and surveys listed below and be provided an opportunity to opt their child out of such activities and surveys. Parents will also be provided an opportunity to review any pertinent surveys. Following is a list of the specific activities and surveys covered under this requirement:

- Collection, disclosure, or use of personal information for marketing, sales or other distribution.
- Administration of any protected information survey not funded in whole or in part by ED.
- Any non-emergency, invasive physical examination or screening as described above. Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office
U.S. Department of Education 400
Maryland Avenue, SW Washington,
D.C. 20202-5901

NORTHEAST EDUCATIONAL SERVICES COOPERATIVE

The Lake Preston School District is a member of the Northeast Educational Services Cooperative along with other area school dis-

tricts. The purpose of this membership is to provide services to special needs children in the district. It is very important to provide educational assistance to children in need at the earliest possible age. Children can receive services prior to reaching school age. If you as a parent or concerned citizen are aware of children who may be in need of services please call the Lake Preston School District and ask for Superintendent, Mr. Dana Felderman.

The services available, along with a brief description of each, include:

A. Speech and Language Therapy
Individual communication disorders are identified and remedial services provided to those in need.

B. Early Childhood
Both school and home based programs are provided to preschool children ages birth - five in need of special assistance due to low mental abilities, physical impairments, social-emotional difficulties, and language difficulties.

C. School Psychology Assistance
Psychoeducational assessments and programming recommendations are provided to students in need of special education due to learning disabilities, low mental abilities, social-emotional and behavioral difficulties. Consultation is available to school staff, students and parents.

D. Center-Base Program
The NESC currently operates four day programs which broaden the special education services in the school setting, thereby allowing the child to be educationally served closer to home. The program seeks to develop daily living, academic, and social skills for each student involved.

E. Occupational and Physical Therapy
The NESC provides these services in order to make them available to children who otherwise may not benefit from instruction without them.

Student doctors make for better patient care

AS A CLINICAL PROFESSOR at my state's medical school, I frequently have medical students seeing patients with me in clinic. While the majority of patients are happy to allow student involvement, some decline. This makes me wonder what misconceptions lead patients to be averse to trainees participating at their clinic visits or hospital bedsides. In my experience, the presence of learners has a positive influence on our work in the clinic and hospital.

THE PRAIRIE DOC

KELLY EVANS-HULLINGER, M.D.

Medical education is a complex, highly intensive program that requires years of education and practice. Most medical students are college graduates who performed well in their undergraduate studies and went above and beyond their peers in volunteering, extracurricular activities and other achievements. After college, some go directly to medical school, and some have variable years of other experiences.

Traditionally, the first two years of medical school take place in the classroom, learning about anatomy, physiology, disease processes, microbiology and pharmacology. The third and fourth years are spent almost entirely in the clinical setting, seeing patients and learning how to apply their hard-earned knowledge.

After medical school, new doctors go on to their residencies to receive further training in their chosen specialty; and after that, some continue to fellowship. This postgraduate training is rigorous. After at least three but sometimes many more years, those physicians will be ready to practice independently in their specialty.

Recently, a student and I saw a patient with leg pain and swelling. After the student's evaluation, we discussed, in the patient's presence, what features of this patient's pain concerned me for an urgent condition, how we should proceed with diagnostics and why. The patient was able to observe how much thought went into our as-

essment, and hopefully the patient appreciated serving as teacher.

When I as an attending physician have a student or resident in my clinic, I am at my best. Students are caring and thorough with our patients. Teaching often requires me to talk about a new diagnosis or treatment in greater detail, and the patient reaps the benefit of hearing that discussion. It is not uncommon for a student to ask me a question to which I don't know the answer, and ultimately both of us learn something new.

I would encourage patients, when they encounter trainees in their medical care, to view these compassionate and hardworking people as I do: a true complement to patient care. All physicians are life-long learners and are exceedingly grateful for our patients, who are our greatest teachers.

Kelly Evans-Hullinger, M.D. is part of The Prairie Doc® team of physicians and currently practices internal medicine in Brookings, South Dakota. Follow The Prairie Doc® at www.prairiedoc.org and on Facebook featuring On Call with the Prairie Doc® a medical Q&A show celebrating its twentieth season of truthful, tested, and timely medical information, broadcast on SDPB and streaming live on Facebook most Thursdays at 7 p.m. central.

CMI Architectural

HELP WANTED:
Truck / Delivery Driver
 to drive semi from De Smet to Minneapolis / St.Paul once a week. Will stay overnight in the cities from 1 to 2 nights a week. Must possess a Class A CDL. Must be able to lift 50-75lbs. Wage is hourly. Fill out application at CMI Architectural Products in De Smet.

IROQUOIS NEWS

A day that's entertained for over a century

BY MARY WIENBAR

Iroquois has been holding an annual Sports Day event for well over a century. Those first celebrations involved foot races, ballgames, horse races and picnics. Although much has changed, one thing remains the same. The Iroquois community likes to get together and have fun.

"FUN IN THE SUN" 2022 EVENTS

A community picnic will be held Fri., July 22 at Woodall City Park, beginning at 6 p.m. Hamburgers, hotdogs and beans will be served. Attendees are asked to bring a salad or dessert to share. Also, bring along lawn chairs and relax while listening

to the James River Bluegrass Band, free of charge. A chalk art contest, bouncy house and snow cones are also free.

A parade is planned for Sat., July 23 starting at 10 a.m. on Main Street. The parade line-up begins at 9 a.m. on Quapaw Street. Prizes will be given to first and second place entries.

Longtime residents Darrell and Bonnie Moffitt will be the Sports Day King and Queen. A candy scramble will be held after the parade, as well as the firemen's challenge. The Legion will be selling lunches at the hall from 11 a.m. to 1 p.m.

The Iroquois Heritage Museum will be open from 11 a.m. - 2 p.m., with a panel of long-time area residents

discussing life of the past at 1 p.m.

At Woodall City Park from 12-4 p.m., families can enjoy M & J Rentals' water bouncy and obstacle course free of charge. The balloon guy will be creating balloon animals and hats for youth. Mud tug-of-war will be held at 3 p.m. and mud volleyball at 4 p.m. Please email mwienbar@hotmail.com if you are interested in putting together a team. Dunk a favorite friend or foe at the dunk tank for a small fee.

Concessions will be sold at the park 1-4 p.m. A bean bag tournament will also be held at the park at 2 p.m. There is a \$20 entry fee per team, and prizes will be awarded to first and second place. Contact Bob at (605) 354-

3105 to register.

Saturday evening will end with one of the best fireworks shows around. Community club members are selling 50/50 tickets to help with the purchase of the fireworks. The 50/50 winner will be announced at Woodall City Park prior to the fireworks display.

Sun., July 24 the Legion will be selling breakfast at the hall from 8 a.m. - 1 p.m. A community church service will be held at Woodall City Park at 10 a.m. People are asked to bring their lawn chairs.

The community welcomes back the classes of 1997 and 2002. The Class of 2002 will be holding their reunion event at Iroquois School on Sunday.

1932: Trouble at William Brooks barn dance

July 18, 1912

A cold wave struck us Sunday, and that night, there was frost in a few spots.

The implement dealers have been kept on the jump recently setting up and delivering new binders and loading twine onto the farmers' wagons.

Two miles of good roads were completed last week between Manchester and Iroquois by the good roads committee of the Iroquois Commercial Club. An engine and two road graders were used in the work, and when the new road gets settled, it will be a fine improvement.

July 21, 1932

The sale of one cent postal cards is reasonably sure to increase under the new law that requires three-cent letter postage. The postal card rate was not increased, and the difference of two cents between the two rates will naturally lead to the use of more postal cards.

Robbers broke into the Cavour Lumber Company office Thursday

night and smashed the safe dial but failed to get the safe door open. The thieves gained entrance through a side door. They failed to gather up any plunder and departed without leaving any clues.

Two women claiming to be residents of Huron were arrested Tuesday morning by Chief of Police Fullerton on a charge of automobile speeding on the streets of Iroquois. They were taken before **C. W. Emmelius**, city justice, who levied a fine of \$10 and costs, amounting to \$13.50. The arresting officer alleges that the offenders were making a racecourse of the main street of the city, and when halted in their wild career, were making a record close to a mile a minute flat.

On Tuesday night of last week, **Sheriff Swartz** and **Deputy Montross** were called to a barn dance on the **William Brooks** farm two miles north-east of Iroquois by a complaint that the dance was not being conducted in an orderly manner. After watching

the progress of the dance for a while, the officers asked Brooks if he had a license; this seemed to be the signal for an attempted rough house, participants in the dance objecting to any interference by the law. In the scuffle that ensued, it is reported the gun of Deputy Montross was discharged, the bullet entering the floor. Four men and two women were placed under arrest and ordered to appear in De Smet Thursday for a hearing. Wm. Brooks appeared Thursday before **Justice Plowman** of De Smet, pleaded guilty to the charge of conducting a public dance without a license and was fined \$5.

July 23, 1942

The "barefoot" tractor, which seemed a sure thing for the duration of a few weeks ago, has been declared eligible for tires and tubes, Northwest Office of Price Administration officials have been advised from Washington. A farmer purchasing either a new or rebuilt tractor or other farm

implement normally using rubber tires but now sold without them will be able to get the tires through his local war price and rationing board, the OPA order set forth. All that is needed is an affidavit from the dealer explaining why the vehicle was delivered without tires. A mere change-over from standard steel wheels to wheels requiring rubber tires does not constitute a "rebuilding" however.

The biggest drive yet put on is about to be launched in every community in the nation to gather up every pound of scrap metal and rubber to be found. The situation is serious, and the government must have the metal if production of war implements is to continue.

Governor Bushfield has requested the director of selective service to grant postponements of military inductions in South Dakota for persons necessary to harvest our big crop. North Dakota was granted a similar request Tuesday, the order to be good until Sept. 1.

A large group of shockers went out to **John Stroup's** farm Monday evening and set up 30 acres of grain in short order. Stroup has been unable to do his harvest work on account of ill health, and local residents decided to give him a "lift," which was appreciated by both Mr. and Mrs. Stroup.

FROM BACK PAGE

The high school class lined up at the track. (Photo by Jamie Andrews)

up being the second qualifier for High School, putting him against Hunter Warntjes of Boyden, Iowa, for the first round of eliminations.

Andrews had a .1024 reaction, leaving the light with a dial in of a 13.65, and he ended up going a 13.6471, leading him to a breakout of -.0029. Warntjes, his opponent, won the race with a reaction time of .2916, a dial in of 12.80, and he ended up going a 12.8859 being .0859 from his dial in. Kabrub Jackson from Castlewood, S.D., went up against Kendra Lemberg from Volin, S.D., and Ruby Kirk from Centerville, S.D., raced Levi Kretzschmar from Crooks, S.D.

In the second-round eliminations, Warntjes went up against Lemberg, with Warntjes moving on to the third round. Kawasniewski lost to

Kretzschmar, putting Kretzschmar in the championship race against Warntjes. Kretzschmar ended up High School champion this weekend.

After this weekend's races, the top leading racers for the High School category are Andrews and Kretzschmar with 140 points. Kirk and Warntjes are tied with 120 points. Adam Johnson from Pipestone, Minn., and Lemberg are also tied at 110 points.

Kaleb Johnson from De Smet raced another weekend of Teen Championship at Thunder Valley. Once again, it was just Johnson and Braden Bjordal in the category. This weekend, Bjordal took first place, ending Johnson's winning streak.

The racers look forward to their next race on July 30.

KCCC

Cavanaugh-Dohrer win Red Elk Open

BY BERNIE STOEL

Kingsbury Journal

The two-person team of Cody Cavanaugh and Micah Dohrer won the annual Greenskeepers Red Elk Open Golf Tournament this past Sunday at the Kingsbury County Country Club.

The tournament is unique because golfers putt into a 6-inch cup instead of the normal 4-inch cup, and that leads to some very low scoring. The winning team of Cavanaugh and Dohrer shot a 17 under par 55. Second place in the championship flight went to Kalen Garry and Dom Hansen with a 13 under 59, and third place was won by George and Jill Mollner with a score of 64.

The first flight was won by Jay Baldwin and his partner Joe Caster, shooting three under par 69. Second place in that flight went to Tory Holland and Morgan DeLange with a 70.

Taking third place in the first flight were Dan and Colt Wilkinson, who also shot 70.

The second flight winners shooting a 76 were Robert and Gale (Peewee) Minier. Second place in the second flight went to Trisha Borah and Taylor Bird with a 77, and in third place were JJ Burke and Erin Wilkinson, who also turned in a score of 77.

The third flight was won by Matt Burgartner and Zack Zahrad with a score of 83. Jennifer Anderson and Traci Schoenfelder took second place with an 84, and Carter Wilkinson and Danny Sudenga placed third in that last flight, also with an 84.

A total of 38 teams competed in the two-person scramble format, with the proceeds going to the KCCC Greenskeepers fund. Also, a free-will donation was collected for food at the tournament, with those proceeds going to the Marv McCune Scholarship Fund.

DRAG RACING

Andrews leading scorer for HS races

BY SASHA ANDREWS

Kingsbury Journal

Races regularly scheduled for Thunder Valley Dragway on Sat., July 16 were postponed; as the team headed to the track, it became a downpour. All races for Saturday were cancelled, but the High School and Teen Championship races were moved to the next day, Sun., July 17.

In the first round, Ben Kwasniewski was the number one qualifier, giving him the bye in first round eliminations. Andru Andrews of Lake Preston, S.D., ended

See **RACING**, page 31
