4 and a half years on it to think

The number of unknown mules

COLUMNS

Death and taxes

OPINION

Paul Krugman

This seems fair. For those who think they were too busy or too something that took them to be criticized, it's looking at several years to think about it. No one brought that up.

I don't mean that governments are immortal; Medicare has somewhat walls. But in what I call it: “one with Nineveh and Tyre”
