BID ANNOUNCEMENT

Request for Sealed Bids – Rooftop Unit (RTU) Replacement

Project Scope:

Provide all labor, materials, equipment, and services necessary to replace an existing 30-ton rooftop unit (RTU). The project includes, but is not limited to:

- Removal and replacement with a new Trane, or equivalent, 30-ton RTU
- Crane services for lifting and placement
- Installation on existing roof curb
- Connection to existing supply, return, and system ductwork
- Gas plumbing modifications as required
- Electrical modifications to integrate with existing utilities
- Use of existing disconnects where applicable
- Integration with existing building controls system
- Complete system startup, testing, and verification of proper operation

All work must comply with applicable local, state, and federal codes and standards. The company should be bonded and have references upon request.

Bid Submission Details:

Sealed bids will be accepted via U.S. Mail, delivery service, or hand delivery to:

145 Clarksburg Road
Huntingdon, TN 38344

Deadline for Submission:

All bids must be received on or before May 20, 2026, at 4:00 PM CST.

Late submissions will not be considered.

Additional Information:

The owner reserves the right to reject any or all bids and to waive any informalities or irregularities in the bidding process.
