

JOB OPENING

TOWN OF HUNTINGDON

The Town of Huntingdon is currently seeking applicants for the Superintendent of Water and Sewer. Applicants must have the ability to make sound decisions in utility processes, follow instructions and safety procedures in order to provide adequate and efficient water for the Town of Huntingdon. Under the direct supervision of the mayor, this employee is responsible for the management of the Water and Wastewater Operations, and responsible for the implementation and enforcement of policies relevant to each department and functions he/she oversees as adopted by the Board of Mayor and Town Council.

Requirements: Work experience at a supervisory/director level in water and/or wastewater system; AND a combined time period of experience in either water treatment, water distribution, wastewater treatment, or wastewater collections. An excellent work and attendance record and a valid driver's license is necessary. Required certifications in: Water Treatment, Wastewater Treatment, Water Distribution System, and/or Wastewater Collections System. Pay based upon qualifications. Application forms can be obtained at the Department of Finance & Administration in the Huntingdon Municipal Building, 19810 Main Street East, during normal office hours. Interviews for the position will begin on or about May 20, 2026. Applications and resumes may be dropped off at City Hall or emailed to manglea@huntingdonch.com or huntingdoncityhall@huntingdonch.com.

The Town of Huntingdon is an Equal Opportunity/Affirmative Action Employer. All applicants will be considered on qualifications and suitability only without regard to race, color, religion, sex, handicap, age or national origin.
