

Seal Coating & Crack Filling

Scott Owens, Benton County Electric System General Manager is accepting sealed bids from qualified contractors for seal coating, crack filling and restriping (including all parking spaces and ADA/handicap markings) at the following locations:

BCES Warehouse

925 Highway 70 East, Camden, TN 38320

****Work shall be completed in two (2) phases to avoid disruption of the warehouse's 24-hour operations. Contractors shall coordinate scheduling with Warehouse Manager Trevor Weller. Interested bidders are encouraged to contact Trevor to schedule a site visit or discuss operational requirements prior to submitting a bid at 731-584-7381.**

·Front & rear parking lots.

·All fenced paved areas

BCES Main Office

975 Highway 70 East, Camden, TN 38320

****Work must be completed on a weekend during non-business hours.**

-Front & rear parking lots.

-Drive-thru

-Entrance & exit drives

-All parking spaces, directional markings, and ADA/handicap spaces shall be restriped upon completion of seal coating.

References

Contractors must include with their bid at least three (3) references for similar seal coating and parking lot striping projects of comparable size and scope. References should include the project name, location, contact person, and phone number.

Bid Deadline

Sealed bids must be received no later than:

Tuesday, August 11, 2026, at 3:00 p.m.

Bids will be reviewed and a bid will be selected on:

Wednesday, August 12, 2026, at 12:00 p.m.

All bidders will be notified following the selection process.

Bids may be hand-delivered to the BCES Main Office or mailed to:

Benton County Electric System
