

JOIN THE BCES TEAM

METER / CONTROLS TECHNICIAN

Benton County Electric System (BCES) is accepting applications for a Meter / Controls Technician. This position supports the Metering Department through meter testing and accuracy assurance, preparation of commercial and industrial metering equipment, field investigations, AMI support, and other technical metering duties.

Applicants must have a high school diploma or equivalent. Technical certifications in metering, electronics, or computers are preferred but not required.

The position is Monday–Friday with potential for off-hours, weekend, and holiday work as needed. Applicants should be prepared to work outdoors in varying weather conditions.

Applications will be accepted through October 16, 2026.

Benton County Electric System is an Equal Opportunity Employer. Employment decisions are made without regard to race, color, religion, sex, national origin, age, disability, or any other status protected by applicable law.
