# THROWBACK TOWNS:

## THE GREATER SEVERNA PARK AREA IS A UNIQUE PLACE TO CALL HOME

From ice cream socials in Chartridge to beach camp in Olde Severna Park and a 100-year-old carnival in Round Bay, the greater Severna Park area is full of tight-knit communities and traditions. It's a place where kids can feel safe riding their bikes from school to a ball field, where many families can go fishing and crabbing from their neighborhood piers, and where people unite to help one another.

Residing in Severna Park, Arnold or Millersville is a lifestyle — one that is accessible without traveling in Marty McFly's time machine.

### PEOPLE MOVE HERE FOR MANY REASONS:

**Schools:** 11 were recognized by the National Blue Ribbon Schools Program for excellence before the program ended in 2025.

**Sports:** For many athletes, the journey starts with the Green Hornets or BAYS youth programs and continues at the high school level, where teams compete annually for championships in lacrosse, soccer, field hockey, cross country, track and field, and other sports.

**Waterfront:** Anne Arundel County has over 533 miles of shoreline, and there is no shortage in Severna Park and on the Broadneck peninsula. The Magothy and Severn rivers offer ample opportunities for recreation.

**Parks and Trails:** These sites are for more than watching a sunset. Some offer sports fields, playgrounds, chances to meet farm animals, and much more. The B&A Trail connects bikers, runners and walkers to points of interest all over the area.

**Proximity:** Baltimore and Washington, D.C. are both within roughly 50 miles.

**Community Pride:** How many communities can boast of a Independence Day parade, strawberry festival, tree light-

ing ceremony, and a high school rock 'n' roll revival show that has featured performers who later appeared on TV and in community theater productions?

The last year also showed why the community is so special. When Edward and Jessica decided to honor their 18-month-old son Hugh after a sudden tragic loss, the community helped the couple surpass \$163,000 in donations for "Hugh's

Corner," a refresh of the children's area in the Severna Park Library.

A group of patriots ushered in Memorial Day by unveiling a new memorial, near the Greater Severna Park and Arnold Chamber of Commerce building, to honor five Severna Park men who were killed in action during the Vietnam War.

Those are just two of the most recent examples, but the generosity in this area never lacks, as people are always donating to food pantries, volunteering for a good cause, or finding another way to support their neighbors in need.

If you live or work here, chances are that you have contributed to or benefited from the kindness. And we would like to provide a small kindness by sharing this directory with readers. Within these pages, you will find lists of nonprofits and civic groups, along with restaurants, other businesses, houses of worship, government agencies, schools and more. We hope

you can use the 2026 Community Resource & Business Directory to find whatever information you need or learn about the person you need to contact to get those details.

To everyone who makes this area a special place, thank you. And to anyone who recently moved here, welcome. You have much to discover and enjoy.

# Greater Severna Park's Growing Trail Network

## Jon Korin

Chair, Anne Arundel County Bicycle Advisory Commission  
President BikeAAA

Our growing network of trails provides a great way to exercise, explore nature, meet people, and travel to destinations near and far.

Many people consider the 13-mile B&A Trail to be Severna Park's "Main Street" where people meet, greet and eat. The new Broadneck Trail extends nine miles from the B&A Trail at Jones Station Road to Sandy Point State Park. Numerous connector trails provide access to neighborhoods, schools, parks, libraries, restaurants and shops.

Kinder Farm Park, Broadneck Park and other parks also have trail systems. Did you know the B&A Trail is part of national trail routes like the 3,000-mile East Coast Greenway (Maine to Key West), the 9/11 Memorial Trail, and the American Discovery Trail (Atlantic to Pacific)? Check out the Jones Station Crossroads sign for more details.

A planned trail along Jumpers Hole Road from Benfield Road to Kinder Farm Park will add to our growing trail network. In 2025, the WB&A Trail Bridge over the Patuxent River opened to create 13 miles of continuous trail from Odenton to Lanham.

We encourage use of trails together with sidewalks and bike lanes not only for recreation but also for transportation, especially short trips. Try leaving the car home and walking or rolling to your destination.

Bicycle Advocates for Annapolis & Anne Arundel County (BikeAAA) advocates for safe places to bike, roll, and walk for people of all ages and abilities. You may have seen our Cycling Without Age trishaws taking seniors and others with mobility limitations out for trail rides.

We also partner with the Anne Arundel County Police Department and the Department of Recreation and Parks to host the annual Anne Arundel County Lifeline 100 bicycle event, to be held this year on October 4. The event offers rides for all ages and abilities including free children's programs. Learn more at [www.lifeline100.com](http://www.lifeline100.com). For additional information about places to ride, safety tips, bike clubs, bike shops and more, visit [www.bikeaaa.org](http://www.bikeaaa.org).

The Jones Station Crossroads sign informs passersby about the Anne Arundel Trail Network and the national trail routes of which the B&A Trail is a part.

# SERVING CHILDREN ACROSS ANNE ARUNDEL COUNTY

**Nicole Dolan**  
Executive Director  
Walk the Walk  
Foundation

**W**alk the Walk Foundation is grateful to be named the Severna Park Voice's 2026 Nonprofit of the Year. For over two decades, we have existed to bless children in need by empowering individuals to serve through their time, talents and treasures. Our vision is to create a cycle of giving where generosity inspires both those giving and receiving to lend a hand to others.

Our name comes from a verse in the bible, Joshua 22:5: "Love the Lord your God and walk in all his ways." This scripture shapes how we approach our work: through service, generosity and the belief that com-

munities are strengthened when we care for one another.

Walk the Walk serves children and families through three core initiatives: Diapers for Babies, Backpacks for Kids, and Christmas for Children. Each program meets a real need and offers tangible opportunities for community members to get involved.

**Diapers for Babies** provides more than 60,000 diapers each month through 22 partner organizations across Anne Arundel County, filling a gap not covered by government assistance. Community support is needed year-round through diaper drives, becoming a donation location, financial support, or volunteering. *Bring a diaper drive to your neighborhood, workplace, school or church.*

**Backpacks for Kids** equips students with backpacks and school

supplies for a strong start to the academic year. We partner with neighborhoods, schools, businesses and churches to host mobile backpack events where participants donate to cover the cost, volunteers pack, and we deliver the backpacks directly to schools. *Host a back-*

*pack packing event with your group, office or community.*

**Christmas for Children** connects sponsors, donors and volunteers to shop for and distribute gifts to local children, creating a meaningful Christmas experience for hundreds of families each year. *Individuals and groups can sponsor children or serve during the season.*

We are honored to do this work and even more honored to do it alongside this community. To learn more about Walk the Walk Foundation and how to get involved, visit [www.wtwf.org](http://www.wtwf.org).
